Special Collections Division,1993

This is the most comprehensive dictionary available on comic art produced around the world. The catalog provides detailed information about more than 60,000 cataloged books, magazines, scrapbooks, fanzines, comic books, and other materials in the Michigan State University Libraries America's premiere library comics collection. The catalog lists both comics and works about comics. Each book or serial is listed by title with entries as appropriate under author, subject, and series. Besides the traditional books and magazines, significant collections of microfilm, sound recordings, vertical files, and realia, mainly T-shirts, are included. Comics and related materials are grouped by nationality (e.g., French comics) and genre (e.g., funny animal comics). Several times larger than any previously published bibliography list or catalog on the comic arts, this unique international dictionary catalog is indispensable for all scholars and students of comics and the broad field of popular culture.
