Dravidian Kinship:

Dravidian Kinship Thomas R. Trautmann, 1982-01-29 **The Dravidian Kinship Terminology as an Expression of Marriage** Louis Dumont, 1953 **Dravidian Kinship and Modes of Production** Kathleen Gough, 1978 **Kinship and History in South Asia** Thomas R. Trautmann, 1974-01-01 Kinship and History in South Asia presents four papers given at a small conference of kinship studies scholars Kinship and History in South Asia at the University of Toronto in 1973 They draw upon one another and show several common concerns particularly the theoretical importance of Dravidian systems Yey they remain specialist studies each within its own raison d tre Brenda E F Beck contributes a study of the kinship nucleus in Tamil folklore Levi Straussian both in its treatment of kinship and of mythology George L Hart s study of woman and the sacred in the ancient Tamil literature of the Sangam attempts to elucidate this literature in its own terms and also to relate it to Beck s kinship nucleus Thomas R Trautmann presents a critical examination of the evidence for cross cousin marriage in early North India attempting to determine historical fact from literary materials Narendra K Wagle offers a survey of the kinship categories to be found in the Pali Jatakas **On the Non-existence of "Dravidian Kinship"** Anthony Good, 1996

Princely India Re-imagined Aya Ikegame, 2013 India s Princely States covered nearly 40 per cent of the Indian subcontinent at the time of Indian independence and they collapsed after the departure of the British This book provides a chronological analysis of the Princely State in colonial times and its post colonial legacies Focusing on one of the largest and most important of these states the Princely State of Mysore it offers a novel interpretation and thorough investigation of the relationship of king and subject in South Asia The book argues that the denial of political and economic power to the king especially after 1831 when direct British control was imposed over the state administration in Mysore was paralleled by a counter balancing multiplication of kingly ritual rites and social duties The book looks at how at the very time when kingly authority was lacking income and powers of patronage its local sources of power and social roots were being reinforced and rebuilt in a variety of ways Using a combination of historical and anthropological methodologies and based upon substantial archival and field research the book argues that the idea of kingship lived on in South India and continues to play a vital and important role in contemporary South Indian social and political life The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Notes on Love in a Tamil Family* Margaret Trawick, 2023-11-15 Love as a force in human affairs is still not given much attention or credency by social scientists With *Notes on Love in a Tamil Family* Margaret Trawick places the notion of love prominently in social scientific discourse Her unforgettable and profusely illustrated study is a significant contribution to anthropology and to South Asian studies Trawick lived for a time in the midst of one large South Indian family and sought to understand the multiple and mutually shared expressions of anpu what in English we call love Often enveloping the author herself changing her as she inevitably changed her hosts this family performed before the young anthropologist s eyes the

meaning of anpu through poetry and conversation through the not always gentle raising of children through the weaving of kinship tapestries through erotic exchanges among women among men and across the great sexual boundary She communicates with grace and insight what she learned from this Tamil family and we discover that love is no less universal than selfishness and individualism Love as a force in human affairs is still not given much attention or credency by social scientists With Notes on Love in a Tamil Family Margaret Trawick places the notion of love prominently in social scientific discourse Her unforgettable an **Aryan and Non-Aryan in India** Madhav Deshpande, Peter Edwin Hook, Peter Hook, 2020-08-06 The history and mechanisms of the convergence of ancient Aryan and non Aryan cultures has been a subject of continuing fascination in many fields of Indology The contributions to Aryan and Non Aryan in India are the fruit of a conference on that topic held in December 1976 at the University of Michigan Ann Arbor under the auspices of the Center for South and Southeast Asian Studies The express object of the conference was to examine the latest findings from a variety of disciplines as they relate to the formation and integration of a unified Indian culture from many disparate cultural and ethnic elements **Children of the Earth Goddess** Roland Hardenberg, 2017-12-18 The whole world is changing with incredible speed towards something radically new yet people across the globe also show resistance to the forces that homogenize our lives This book deals with a community that has found its niche in the remote Niamgiri mountain range of Odisha India and is struggling to preserve its way of life the Dongria Kond In recent years they made the headlines as the real Avatars because they successfully fought a multinational company s plans to mine the mountains From the perspective of the Dongria Kond these mountains are the seat of gods and the whole environment is animated by spiritual forces This highly complex cosmic order includes humans and non humans and rests on a divine law niam This book captures the viewpoint of the Dongria Kond and provides deep insights into their vision of the world It offers elaborate accounts of how the Dongria relate to the outside world conceive of their own society and engage in complex rituals in order to re establish the cosmos The book confronts the reader with radically different imaginings of familiar human concerns love fertility wealth status and well being *The Modern Anthropology of India* Peter Berger, Frank Heidemann, 2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers in the field of Indian anthropology ethnography regional

anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India

Tribes of Western India Dhananjay Kumar, Lancy Lobo, 2022-07-29 India has two key social formations the castes and the tribes Both groups can be studied from the perspective of society samaj and culture sanskriti However studies on castes largely deal with social structure and less on culture while studies on tribes focus more on culture than on social structure What has resulted from this bias is a general misunderstanding that tribes have a rich culture but lack social structure This volume emerges out of an in depth empirical study of the social structure of five Scheduled Tribes STs in Gujarat western India viz Gamit Vasava Chaudhari Kukana and Warli It analyses and compares their internal social organisation consisting of institutions of household family lineage clan kinship rules and marriage networks The book also deals with changes taking place in the social structure of contemporary tribal societies While the focus is mainly on the data from tribes of western India the issues are relevant to pan Indian tribes An important contribution to the studies on tribes of India this book will be of great interest to students and researchers of anthropology sociology demography history tribal studies social work public policy and law It will also be of interest to professionals working with NGOs and civil society programme and policy formulating authorities and bureaucrats

Dravidian Kinship Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dravidian Kinship has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dravidian Kinship has opened up a world of possibilities. Downloading Dravidian Kinship provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dravidian Kinship has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dravidian Kinship. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dravidian Kinship. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dravidian Kinship, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dravidian Kinship has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
