Drawing On The Gay Experience:

Donelan Gerard P. Donelan,1987 The Advocate ,1992-04 **Queer French** Denis M. Provencher,2016-05-23 In this book Denis M Provencher examines the tensions between Anglo American and French articulations of homosexuality and sexual citizenship in the context of contemporary French popular culture and first person narratives In the light of recent political events and the perceived hegemonic role of US forces throughout the world an examination of the French resistance to globalization and Americanization is timely in this context He argues that contemporary French gay and lesbian cultures rely on long standing French narratives that resist US models of gay experience He maintains that French gay experiences are mitigated through gay French language that draws on several canonical voices including Jean Genet and Jean Paul Sartre and various universalistic discourses Drawing on material from a diverse array of media *Queer French* draws out the importance of a French gay linguistic and semiotic tradition that emerges in contemporary textual practices and discourses as they relate to sexual citizenship in 20th and 21st century France It will appeal to an interdisciplinary readership in gender and sexuality studies cultural studies linguistics media and communication studies and French studies *Flash* Anastasia Salter,John Murray,2014-09-12 How Flash rose and fell as the world s most ubiquitous yet divisive software platform enabling the development and distribution of a world of creative content Adobe Flash began as a simple animation tool and grew into a multimedia platform that offered a generation of creators and innovators an astonishing range of opportunities to develop and distribute new kinds of digital content For the better part of a decade Flash was the de facto standard for dynamic online media empowering amateur and professional developers to shape the future of the interactive Web In this book Anastasia Salter and John Murray trace the evolution of Flash into one of the engines of participatory culture Salter and Murray investigate Flash as both a fundamental force that shaped perceptions of the web and a key technology that enabled innovative interactive experiences and new forms of gaming They examine a series of works that exemplify Flash s role in shaping the experience and expectations of web multimedia Topics include Flash as a platform for developing animation and the Flashimation aesthetic its capacities for scripting and interactive design games and genres enabled by the reconstruction of the browser as a games portal forms and genres of media art that use Flash and Flash s stance on openness and standards including its platform defining battle over the ability to participate in Apple s own proprietary platforms Flash s exit from the mobile environment in 2011 led some to declare that Flash was dead But as Salter and Murray show not only does Flash live but its role as a definitive cross platform tool continues to influence web experience **The Kaleidoscope of Gender** Joan Z. Spade,Catherine G. Valentine,2011 An accessible timely and stimulating introduction to the sociology of gender *The Kaleidoscope of Gender* Prisms Patterns and Possibilities Third Edition provides a comprehensive analysis of key ideas theories and applications in this field as viewed through the metaphor of a kaleidoscope This collection of creative articles by top scholars explains how the complex evolving pattern of gender is constructed interpersonally institutionally and culturally

and challenges students to question how gender shapes their daily lives Like the prior edition the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework Integrating a cross cultural focus and intersectional inquiry this unique text reader vividly illustrates that gender is a malleable continuum of prisms patterns and possibilities *Making it Ours* Mark D. Hawthorne,1998 **Comics & Ideology** Matthew P. McAllister,Edward H. Sewell,Ian Gordon,2001 Superman s role in romanticizing commercialism sexual violence in Japanese manga comics Wonder Woman as Americanized immigrant reader s reactions to the gay superhero Northstar Dilbert as a workplace revolutionary the Punisher s invasion of Vietnam these are a few of the issues that *Comics Ideology* addresses Focusing on the intersection of social power and comic art essays in this book explore how images and narratives in comic books and comic strips may portray social groups and social issues As a scholarly examination of a form known as the funnies or funny books this book argues that the themes and characterizations in comic art are often quite serious Essays take diverse theoretical perspectives such as cultural studies political economy feminist criticism queer studies and mythic analysis all focusing on the relationship of comics to issues of social division Publisher description
