Dread Champion:

Dread Champions Bobby Conner, 2007-11 Encounter Shawn Bolz, 2022 One of the greatest spiritual battles right now is over perspective the way you see possibilities limitations and what God is doing This book will help you encounter God in such a way that you are able to walk in His original design for you which is to not only commune with Him through conversation but to be aligned with His mind When you share His thoughts and perceptions you will be able to live the abundant supernatural super empowered life God desires for you Humans are unique in that we were not just made in the image of God we reflect His very nature If we understood our spiritual neurological psychological and even physical connection to God we could bring solutions to every problem humanity faces and many would be practical even scientific solutions In this book Shawn Bolz shares a series of rich divine encounters that have defined his spiritual perspective so others can be released into new ways of thinking and experience an expansion of their spiritual intelligence To walk with God you need to know not only His heart but also His mind As believers we were designed to commune with God sharing not only conversation with Him but also His thoughts and perceptions to know His mind through His Spirit When Adam and Eve walked with God in the cool of the day they didn't always need the verbal communication that so limits humanity today They had inner communication from their connectedness This is the kind of connectedness Solomon Joseph Daniel Esther and the apostle Paul experienced and this is what God wants to restore to His people today This book will help readers gain a fresh vision of their faith so they can walk out their spirituality exactly as God intended and take their place in the coming move of God

Praise God First Kimberlee Hutcherson, 2020-06-22 When do you praise God When He has done something grand How about when He's done something you don't understand or agree with Are you praising God for being a Giver and a Taker It is important to recognize God's attributes that please us as well as the ones that don't then offer up praise to Him for all things and in all circumstances Often praise is completely left out of our prayers to God If we follow the example Jesus gave in Matthew 6:9-13 then praise should come first yet finding the words to do this can be challenging This book contains over five hundred praise words to help facilitate a more intimate knowledge of God broadening our ability to praise Him specifically for His attributes This book is a powerful transforming tool to be used in a daily walk with the Father Son and Holy Spirit Choose a word then offer up a first fruit sacrifice of praise to God If it is heartfelt and sincere God will be pleased You will be blessed because of the intimacy this creates When we are praising we are not controlling we are releasing Praise prayer is different because it removes the tendency to give orders to God that sounds something like please fix this change that don't do this give me that Sometimes a defeated tone is present in our prayers sounding like God this is what I want but your will be done which is probably not my will so I'm not sure how to pray Praising God first can take away the need to control and the feeling of defeat by releasing it to God focusing entirely on Him and His sovereignty in all circumstances Praise God first That's what we can do God has got the rest Through Him then let us continually offer up a sacrifice of praise
