Dream Of The Perfect Child:

The Dream of the Perfect Child Joan Rothschild, 2005 A feminist critique of bioethics and attitudes toward reproductive technologies

Raising the Perfect Child Through Guilt and Manipulation Elizabeth Beckwith, 2009-09-22 A hysterically tongue in cheek parody parenting guide by a wonder writer and an expressive hilarious comedian Zack Galifianakis Raising the Perfect Child Through Guilt and Manipulation is not one of those traditional all too earnest parenting guides that for generations have sucked all the fun out of child rearing The foundation of Elizabeth Beckwith s Guilt and Manipulation family philosophy is simple We do things a certain way and everyone else is an a hole Is that something you should put on a bumper sticker and slap on your minivan Of course not that would be trashy But in the privacy of your own home you can employ these essential components of Guilt and Manipulation to mold the little runts ruthlessly yet effectively into children you won t be embarrassed to admit are yours Creating a Team Us vs Them How to Scare the Crap Out of Your Child in a Positive Way Don t Be Afraid to Raise a Nerd Mind Control Why It s a Good Thing

Daddyman Craig Balcomb, 2020-10-04 Faster than a speeding tricycle More powerful than dirty diapers Able to leap tall Legos in a single bound Look up in the sky It s a bird It s a plane It s Daddyman Yes Daddyman Strange visitor from another dimension With powers and abilities far beyond those of ordinary men Daddyman Who can change a pair of dirty diapers Bend Play Doh with his bare hands And who disguised as a mild mannered father in a great metropolitan city Fights a never ending battle for Truth Justice and Clean Underwear Daddyman is your guide to becoming a good dad It dosen t deal with problems like diaper rash to teething pain Rather it is a parenting philosophy with examples from the author s own personal experience Daddyman is written specifically for men who often often don t have a good role model and who sometimes feel left out of parenting discussions dominated by women and presented from a mother s perspective Every man can be a good dad if he chooses to be Love caring support and encouragement are the cornerstones of good parenting Hopefully this book will put you in the frame of mind you need to be a better dad

Shrink Dreams Wayne A. Myers, 1993-08-09 Addressing himself to both general and professional audiences a practicing psychotherapist and professor of psychiatry at Cornell Medical Center s Payne Whitney Psychiatric Center in Manhattan examines countertransference the feelings and fantasies awakened in the therapist by the patient that almost invariably interfere with the healing process of therapy In highly readable chapters with such titles as The Dream of Rescuing a Damsel in Distress or The Dream of Having the Perfect Child Myers offers accounts drawn from his 30 years as a supervising therapist in which other therapists have sought his help in dealing with troublesome cases Urging practicing therapists to complete their own psychoanalytically based therapy in order to better understand the impact of their past on their responses to and treatment of patients Myers also encourages patients to question therapists about their training While the chapters have a schematic sameness and some of his interpretations seem pat Myers s observations serve both audiences well Psychotherapy Book Club alternate Publishers Weekly
