Absent Wife:

An Absent Wife Camille Oster,2018-10-02 The desertion of Lord Lysander Warburton s wife had come as a complete surprise even though he readily admitted that he d never excelled as a husband The death of the wife he d ignored for close to a decade was a downright nuisance making him further fodder for the gossips and now a target for every designing matron in London In line with her consistent talent for being disagreeable Lady Adele Warburton had run off with a lowly lieutenant leaving safety and respectability behind then died in a cholera epidemic in a far flung country In a last show of husbandly duty Lysander decides to recover her effects and grudgingly those of her lover retracing the steps of the wife he d barely known across half the world But arriving in the mayhem of India he finds that all is not as it should be
