L. Barrow,2013-04-01 Five brief essays on the positives and negatives of being a virgin at 26 [The Accidental Virgin](#) Amanda Quisenberry,2021 Seventeen year old Amanda grew up believing love conquers all but when a brutal accident leaves her paralyzed she struggles to reconcile her sensuality while trapped in a broken body This memoir details a roller coaster journey from girlhood into womanhood while coping with the very tangible but largely undiscussed realities quadriplegia presents toward self image love sexuality and following one s heart **The Accidental Virgin** Valerie Frankel,2008-06-01 *True Love* Seventeen Magazine,2007 From love triangles and cheaters to summer romances these stories will touch every teen s heart One seventeen year old s story talks of her sweetheart who joined the Army and was sent to the Middle East and how his love letters kept their romance strong In another one girl learns the hard way how playing the field can only lead to heartache Whether the ending is happy or sad there is no doubt that love has changed these teens lives forever *Seventeen Real Girls, Real-Life Stories: True Love* Seventeen Magazine,2012-04-03 From love triangles and cheaters to summer romances these stories will touch every teen s heart One seventeen year old s story talks of her sweetheart who joined the Army and was sent to the Middle East and how his love letters kept their romance strong In another one girl learns the hard way how playing the field can only lead to heartache Whether the ending is happy or sad there is no doubt that love has changed these teens lives forever **The Girlfriend Curse** Valerie Frankel,2009-10-13 It s uncanny Within six months of breaking up with her Peg Silver s ex lovers always meet and marry the women of their dreams Even worse than being the eternal bridesmaid she s the last girlfriend the one who awakens in a guy theknowledge of what he s always wanted in a relationship and it s never with Peg Obviously a major lifestyle change is seriously called for which is why the distraught interior landscape designer says good bye to Manhattan and late night lattes with pal Nina and hello to a farmhouse on ten acres in tiny backwater Manshire Vermont hoping to meet the ultimate all organic country man without too much facial hair to keep her warm in those frosty New England winters Instead Peg finds herself at Inward Bound a proactive adult education retreat for the hapless and hopelessly lovelorn to try to lift her dreaded girlfriend curse A steamy and expressly forbidden dalliance with gorgeous woman eater Ray probably isn t going to help cure her But some romantic insight could arise from her attraction to Linus Inward Bound s sexy scruffy smart and still single

founder Perhaps there is a secret to be unearthed in the crunchy Green Mountains one that will magically transform Peg Silver from the Perpetual Also Ran to the Big Winner in love
