**Talk** Emanie N. Sachs,1924      **Black Tulip** Erik Schmidt,2020-02-29 This myth busting military biography reveals the true story of the legendary WWII German flying ace and how his story was manipulated during the Cold War Over the course of 1 404 wartime missions Luftwaffe fighter pilot Erich Hartmann claimed a staggering 352 airborne kills His storied career contains all the dramas you would expect frostbitten fighter sweeps over the Eastern Front drunken forays to Hitler s Eagle s Nest a decade of imprisonment in the wretched Soviet POW camps and further military service during the Cold War Then just as Hartmann s career was faltering he was adopted by a network of writers and commentators deeply invested in his reputation These men mostly Americans published celebratory stories about Hartmann and his elite fraternity of Luftwaffe pilots With each dogfight tale put into print Hartmann s legacy became loftier and more secure and his complicated service in support of Nazism faded away Black Tulip digs beneath this one dimensional account of Hartmann s life revealing a man who was neither a full blown Nazi nor an impeccable knight
