

Wallace Stevens: The Poet and His Critics

Willard, Abbie

Note: This is not the actual book cover

Critics On Wallace Stevens

B J Leggett

Critics On Wallace Stevens:

Wallace Stevens Abbie F. Willard, 1978 Selects arranges and assesses criticism of the twentieth century poet businessman on the basis of chronology literary heritage genre world view and self criticism providing a direction for future analysis Critics on Wallace Stevens Peter L. McNamara, 1972 *Wallace Stevens* Helen Vendler, 1986 In this book Vendler brings her remarkable skills to bear on a number of Stevens's short poems She shows us that this most intellectual of poets is in fact the most personal of poets that his words are not devoted to epistemological questions alone but are also words chosen out of desire *Wallace Stevens* Tim Morris, 2006 This polemical work by Tim Morris re-examines Stevens major longer poems With close readings of key works detailed investigation of Stevens manuscripts and new analysis in light of recent critical thinking Morris attempts to negotiate Stevens intentions and the trajectory of his atypical writing life

Wallace Stevens and the Critical Schools Melita Schaum, 1988 An overview of seventy years of Stevens criticism *Wallace Stevens and the Critical Schools* reveals a field marked by conflict and contradiction both within and among critical works in their attempts to explicate and appropriate this major American poet Stevens changing reception among the critical schools reveals much about the shifting nature of American literature and criticism in this century and illuminates the often polemical process of literary canon formation Each chapter of this book examines a particular aspect of the 20th century critical involvement with Wallace Stevens poetry introduced by a discussion of the poet's work as an arena for the convergence of modern critical tendencies and concerns First the author examines the avant garde milieu of early 20th century modernism which implicated Stevens in its melee of affiliations and enmities and which influenced critics ambivalent responses to his early work She traces the critical controversies of the poet's emergence before and during the 1920s specifically the clash between New Humanism and aestheticism and demonstrates how the quality of irony in Stevens work became a part of the critics general repertoire in their assessment of this poet The 1930s 1940s and 1950s were decades during which Stevens criticism became dominated by the New Critical ideology The turn toward deconstruction in Stevens criticism stands in part as a response to the New Critical dilemma seen in the manner in which such critics as J Hillis Miller and Joseph Riddel appropriated the concept of decreation to explain the sense of rupture in Stevens late poetry yet brought that concept to its logical end in a deconstructive paradigm Finally Schaum identifies four major theoretical approaches to Stevens in the past two decades that continue to inform and direct the field of critical dissent and exploration in the 1980s Such theories as Bloomian misprision versions of hermeneutic criticism redefinitions of the deconstructive enterprise and the contemporary call for a new historicism continue the battle to appropriate Stevens as the hard prize of critical aims and investigations **Wallace Stevens in Context** Glen MacLeod, 2016-12-22 This book aims to provide an in depth introduction to the multifaceted life and times of Wallace Stevens who is generally considered one of the great twentieth century American poets In thirty six short essays an international team of distinguished scholars have created a

comprehensive overview of Stevens life and the world of his poetry Individual chapters relate Stevens to important contexts such as the large Western movements of romanticism and modernism particular American and European philosophical traditions contemporary and later poets the professional realms of law and insurance the parallel art forms of painting music and theater his publication history critical reception and his international reputation Other chapters address topics of current interest such as war politics religion race and the feminine Informed by the latest developments in the field but written in clear jargon free prose Wallace Stevens in Context is an indispensable introduction to this great modern poet

On Extended Wings Helen Vendler,1969 While Wallace Stevens s short poems are perhaps his most anthologized it is only in the longer works that we find his unique sensibilities on full display Tracing his development through fourteen poems Helen Vendler reveals the longer poems as the proving grounds where he tested formal innovations and discovered his own formidable strengths

Wallace Stevens and His Critics Maureen Broderick,1961

By Their Fruits Joan Richardson,1977

Wallace Stevens Checklist and Bibliography of Stevens Criticism Samuel French Morse,Jackson R. Bryer,Joseph N. Riddel,1963

Wallace Stevens James Longenbach,1991

Wallace Stevens Harold Bloom,2003

Wallace Stevens is often characterized as an aesthete as one withdrawn from the major artistic and social movements of the first half of the 20th century This edition examines his major works of poetry

The New Wallace Stevens Studies Bart Eeckhout,Gül Bilge Han,2021-07-08 The New Wallace Stevens Studies introduces a range of fresh voices and promising topics to the study of this great American poet It is organized into three sections The first explores concepts that have begun to emerge in Stevens criticism imperialism and colonialism his politics of utopia his ideas about community building and audience his secularism and his transnationalism The second section applies recent methodological and theoretical advances that have left a prominent mark on literary studies from world literature and ecocriticism to urban studies queer studies intersectional thinking and cognitive literary studies Essays in the third section reassess issues that have long inspired critics Here investigations include Stevens s reception by later poets his attitude toward modern fiction different modes of his poetic thinking aspects of his rhetoric and style and his lyrical ethics This volume captures a cross section of the most striking recent developments in Stevens criticism

Wallace Stevens Frank Kermode,1960

Wallace Stevens and the Limits of Reading and Writing Bart Eeckhout,2002 Often considered America s greatest twentieth century poet Wallace Stevens is without a doubt the Anglo modernist poet whose work has been most scrutinized from a philosophical perspective Wallace Stevens and the Limits of Reading and Writing both synthesizes and extends the critical understanding of Stevens s poetry in this respect Arguing that a concern with the establishment and transgression of limits goes to the heart of this poet s work Bart Eeckhout traces both the limits of Stevens s poetry and the limits of writing as they are explored by that poetry Stevens s work has been interpreted so variously and contradictorily that critics must first address the question of limits to the poetry s signifying potential before they can attempt to deepen our appreciation of it In the first half of this book the limits of

appropriating and contextualizing Stevens's *The Snow Man* in particular are investigated. Eeckhout does not undertake this reading with the negative purpose of disputing earlier interpretations but with the more positive intention of identifying the intrinsic qualities of the poetry that have been responsible for the remarkable amount of critical attention it has received.

Wallace Stevens, New York, and Modernism Lisa Goldfarb, Bart Eeckhout, 2012. This unique essay collection considers the impact of New York on the life and works of Wallace Stevens. Stevens lived in New York from 1900 to 1916, working briefly as a journalist, going to law school, laboriously starting up a career as a lawyer, getting engaged and married, gradually mixing with local avant-garde circles, and eventually emerging as one of the most exciting and surprising voices in modern poetry. Although he then left the city for a job in Hartford, Stevens never saw himself as a Hartford poet and kept gravitating toward New York for nearly all things that mattered to him privately and poetically: visits to galleries and museums, theatrical and musical performances, intellectual and artistic gatherings, shopping sprees, and gastronomical indulgences. Recent criticism of the poet has sought to understand how Stevens interacted with the literary, artistic, and cultural forces of his time to forge his inimitable aesthetic with its peculiar mix of post-romantic responses to nature and a metropolitan cosmopolitanism. This volume deepens our understanding of the multiple ways in which New York and its various aesthetic attractions figured in Stevens' life, both at a biographical and poetic level.

Wallace Stevens and Poetic Theory B. J. Leggett, 2017-11-01. Leggett traces the effect of several important theoretical works on the poetry and prose of Stevens during a period in which he was formulating an aesthetic, between 1942 and 1954. The author offers new readings of a number of poems and passages and clarifies certain controversial conceptions developed by Stevens, such as the supreme fiction, the relation of the new poet to tradition, and the psychologies of creativity. Originally published in 1987, the UNC Press Enduring Edition uses the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Wallace Stevens: Poetry as Life Samuel French Morse, 1970. *Wallace Stevens: Poetry as Life* delves into every phase of Stevens' life, from his childhood in Pennsylvania, his years at Harvard, and his short stay in New York, to his life-long choice of a home in Hartford, Connecticut, and a career in the insurance business. The importance of Stevens' relationship to his father is stressed, and also the contribution to his growth of Santayana, Bergson, Pater, and Pascal, among others. His deep feeling for things, French, and his unusual appreciation of painting are also assessed as they relate to the development of his finely tempered artistry and special conception of art.

The Wallace Stevens Case Thomas C. Grey, 1991. Wallace Stevens was not only one of America's outstanding modernist poets but also a successful insurance lawyer, a fact that continues to intrigue many readers. Though Stevens tried hard to separate his poetry from his profession, legal theorist Thomas Grey shows that he did not ultimately succeed. After stressing how little connection appears on the surface between the two parts of Stevens' life, Grey argues that, in its pragmatic

account of human reasoning the poetry distinctively illuminates the workings of the law In this important extension of the recent law and literature movement Grey reveals Stevens as a philosophical poet and implicitly a pragmatist legal theorist who illustrates how human thought proceeds through assertion qualification and qualified reassertion and how reason and passion fuse together in the act of interpretation Above all Stevens s poetry proves a liberating antidote to the binary logic that is characteristic of legal theory one side of a case is right the other wrong conduct is either lawful or unlawful At the same time as he discovers in Stevens a pragmatist philosopher of law Grey offers a strikingly new perspective on the poetry itself In the poems that develop Stevens s reality imagination complex poems often criticized as remote apolitical and hermetic Grey finds a body of work that not only captivates the reader but also provides a unique instrument for scrutinizing the thought processes of lawyers and judges in their exercise of social power

The Poetry of Wallace Stevens Robert Rehder, 1988 Beginning with a biographical sketch of Stevens this volume analyzes each of Stevens major works emphasizing the larger patterns of his work through detailed readings of representative poems Rehder also discusses Stevens debt to French poetry ISBN 0 312 00860 0 32 50

This is likewise one of the factors by obtaining the soft documents of this **Critics On Wallace Stevens** by online. You might not require more period to spend to go to the book introduction as without difficulty as search for them. Critics On Wallace Stevens Introduction

In the digital age, access to information has become easier than ever before. The ability to download Critics On Wallace Stevens has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Critics On Wallace Stevens has opened up a world of possibilities. Downloading Critics On Wallace Stevens provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Critics On Wallace Stevens has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Critics On Wallace Stevens. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Critics On Wallace Stevens. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Critics On Wallace Stevens, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Critics On Wallace Stevens has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Critics On Wallace Stevens Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Critics On Wallace Stevens is one of the best book in our library for free trial. We provide copy of Critics On Wallace Stevens in digital format, so the resources that you find are reliable.
