To Tell a Black Story of Miami Tatiana D. McInnis, 2022-12-13 How portrayals of anti Blackness in literature and film challenge myths about South Florida history and culture In this book Tatiana McInnis examines literary and cultural representations of Miami alongside the city's material realities to challenge the image of South Florida as a diverse cosmopolitan paradise McInnis discusses how this favorable melting pot narrative depends on the obfuscation of racialized violence against people of African descent Analyzing novels short stories and memoirs by Edwidge Danticat M J Fievre Carlos Moore Carlos Eire Patricia Stephens Due and Tananarive Due as well as films such as *Dawg Fight* and *Moonlight* McInnis demonstrates how these creations push back against erasure by representing the experiences of Black Americans and immigrants from Caribbean nations McInnis considers portrayals of state sanctioned oppression residential segregation violent detention of emigres and increasing wealth gaps and concludes that celebrations of Miami's diversity disguise the pervasive adaptive nature of white supremacy and anti Blackness *To Tell a Black Story of Miami* offers a model of how to use literature as a primary archive in urban studies It draws attention to the similarities and divergences between Miami's Black diasporic communities a historically underrepresented demographic in popular and scholarly awareness of the city Increasing understanding of Miami's political social and economic inequities this book brings greater nuance to traditional narratives of exceptionalism in cities and regions Publication of this work made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

Branding Texas Leigh Clemons, 2008-08-15 Ask anyone to name an archetypal Texan and you're likely to get a larger than life character from film or television say John Wayne's Davy Crockett or J R Ewing of TV's *Dallas* or a politician with that certain swagger think LBJ or George W Bush That all of these figures are white and male and bursting with self confidence is no accident asserts Leigh Clemons In this thoughtful study of what makes a Texan she reveals how Texan identity grew out of the history and even more the myth of the heroic deeds performed by Anglo men during the Texas Revolution and the years of the Republic and how this identity is constructed and maintained by theatre and other representational practices Clemons looks at a wide range of venues in

which Texanness is performed including historic sites such as the Alamo the battlefield at Goliad and the San Jacinto Monument museums such as the Bob Bullock Texas State History Museum seasonal outdoor dramas such as Texas at Palo Duro Canyon films such as John Wayne's *The Alamo* and the IMAX *sAlamo* The Price of Freedom plays and TV shows such as the *Tunatrilogy Dallas* and *King of the Hill* and the *Cavalcade of Texas* performance at the 1936 Texas Centennial She persuasively demonstrates that these performances have created a Texan identity that has become a brand a commodity that can be sold to the public and even manipulated for political purposes *Story of the Wild West and Camp-fire Chats* Buffalo Bill, 1888 **Brotherhood of Locomotive Firemen and Enginemen's Magazine** ,1886 *9/11 and the War on Terror* David Holloway, 2008-05-19 This interdisciplinary study of how 9 11 and the war on terror were represented during the Bush era shows how culture often functioned as a vital resource for citizens attempting to make sense of momentous historical events that frequently seemed beyond their influence or control Illustrated throughout the book discusses representation of 9 11 and the war on terror in Hollywood film the 9 11 novel mass media visual art and photography political discourse and revisionist historical accounts of American empire between the September 11 attacks and the Congressional midterm elections in 2006 As well as prompting an international security crisis and a crisis in international governance and law David Holloway suggests the culture of the time also points to a crisis unfolding in the institutions and processes of republican democracy in the United States His book offers a cultural and ideological history of the period *Within Our Gates* Alan Gevinson, 1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Reports of Cases Determined in the Supreme Court of the State of California* California. Supreme Court, 1906 *Bibliotheca americana, 1878* Robert Clarke & Co, 1878 **Scribners Monthly** ,1879 *Reports of Selected Civil and Criminal Cases Decided in the Court of Appeals of Kentucky* Kentucky. Court of Appeals, 1904 **Century Illustrated Monthly Magazine ...** ,1879 *The Spectator* ,1895 A weekly review of politics literature theology and art **Humor of the Old Southwest** ,1989-11-16 During the early part of the nineteenth century the Southwestern frontier moved from North Carolina South Carolina and Georgia through Alabama Tennessee and Mississippi to Missouri Arkansas and Louisiana Using a variety of styles and subjects humorists in the frontier states of the Southwest wrote tall tales and humorous stories that made use of dialect and emphasized cruelty violence and depravity in rebellion against the sentimental morality of conventional literature Such tales flourished from 1835 through 1861 and helped buffer the pioneers during their everyday hardships The humorists stories though exaggerated were often rooted in the real characters and incidents of the frontier and as such serve as a social history of the period Many of these stories were originally published in local newspapers and reprinted in William T Porter's *Spirit of the Times* Although the popularity of this type of humor died out with the beginning of the Civil War its influences can be seen in the works of Mark Twain William Faulkner Flannery O Connor and Thomas Wolfe The bibliography lists works about Southwest humor in general and by and about nine major

humorists including David Crockett Joseph Glover Baldwin George Washington Harris Johnson Jones Hooper Henry Clay Lewis Augustus Baldwin Longstreet Charles Fenton Mercer Noland William Tappan Thompson and Thomas Bangs Thorpe These two main sections are supplemented by author and general subject indices As the first book length bibliography in this field Humor of the Old Southwest will make a useful tool in academic libraries and will find a place in collections of folklore American literature and humor
