Cross Crazy Day:

Dirty Work Rod Bull,2017-07-03 What was happening Everything I tried was going wrong I needed to start again get my life back Would it be possible to change the events of my life was there some basic flaw in me There was a veiled past which I could not see there was a door to which I had not key How would it be possible We've all been there An impasse a crossroads an unmarked door or some asymmetry in the weave of life that leaves us stuck at worst though at best in question So too begins Rod Bull's ribald funny drunken irreverent memoir of a seemingly accidental spiritual life with a constant refrain to dirty work shoveling manure in a stable or bilge water in the belly of a ship or cutting cane and viciously cut the only cure to which is to urinate on yourself Bull's is a life of pratfalls comic encounters with an angry Jim Brown the running back in London with sundry Tibetan Tulkus or with the tutelary heads of the Gurdjieff Ouspensky Work and hard won insights What is of particular note is that here you read the story of no man soaring from height to golden height but an honest recounting and recollecting blemishes and all of a life of the spirit via serious hard traveling Dirty Work A Chump's Search for Meaning is a memoir of crazy wisdom

Our Obvious Ways John Dane,2012-02-27 Part 2 John and Angela's marriage develops while around them their friends relationships move on bringing with it further change and conflict Issues of prejudice become apparent forcing some of the characters to change their lives forever

Gold Digger Tyler Mahoney,2023-10-03 If you haven't seen a Discovery Channel gold hunting show you might picture a gold prospector as a relic of the Wild West a TNT toting bearded old man wildly swinging a pick on the hunt for nuggets guided by old maps superstition legends and instinct It's still predominantly a man's world and still often fanatical but these days the golden dream attracts people from all walks of life and 25 year old Tyler Mahoney Australian star of the Discovery Channel's Gold Rush series is leading the way Hailing from Kalgoorlie Tyler is a fourth generation gold miner and has seen up close how gold fever makes normally reasonable people do the most irrational things From mysterious corpses in the desert to huge heists backstabbing to life changing finds Tyler unearths hair raising stories and legends from Australia's gold prospecting past and present while sharing her experience forging her way in a traditionally male domain She writes candidly about the push and pull of the gold world in her own life as well as her struggles with bipolar disorder a mental health challenge that in some ways parallels the feast or famine nature of prospecting itself With humor grit and an infectious zest for life gold digger Tyler Mahoney stakes her claim
