one of the most fascinating biographies I've read There have been many biographies of Cromwell but Tracy Borman's book must rank among the very best Known widely as Henry VIII's right hand man Cromwell has captured imaginations throughout the centuries but who was he really In this major new biography leading historian Tracy Borman examines the life loves and legacy of the man who changed the shape of England forever Born a lowly tavern keeper's son Cromwell rose swiftly through the ranks to become Henry VIII's right hand man and one of the most powerful figures in Tudor history The architect of England's break with the Roman Catholic Church and the dissolution of the monasteries he oversaw seismic changes in England's history Influential in securing Henry's controversial divorce from Catherine of Aragon many believe he was also the ruthless force behind Anne Boleyn's downfall and subsequent execution Although for years he has been reviled as a Machiavellian schemer who stopped at nothing in his quest for power Thomas Cromwell was also a loving husband father and guardian a witty and generous host and a loyal and devoted servant With fresh research and new insights into Cromwell's family life his household and his close relationships Tracy Borman tells the true story of Henry VIII's most faithful servant Critical acclaim for Thomas Cromwell Dr Tracy Borman has crafted an exceptional and compelling biography about one of the Tudor age's most complex and controversial figures With expert insights based on a wealth of research and riveting detail she has brought Thomas Cromwell to life as never before Alison Weir This deeply researched and grippingly written biography brings Cromwell to life and exposes the Henrician court in all its brutal glittering splendour Kate Williams Independent Tracy Borman tells us succinctly in 400 pages what we need to know about the man who rose to be the king's highest adviser a very good book The Times Tracy Borman's study makes clear his achievements both admirable and despicable Borman has read an impressively wide range of modern historical literature on Cromwell Guardian Borman's is a highly readable account and will add to the debate surrounding this ultimately elusive character Financial Times Elegant her prose as ever glides beautifully along Sunday Times An engaging biography Evening Standard [The Boy's Book of Famous Regiments](#) Henry Alexander Ogden, Harry Alton Hitchcock, 1915 **Oliver Cromwell** John Drinkwater, 1921 *Cromwell* Francis Plumptre B.
