R.

Martin,2010-04-01 The ice dragon was a creature of legend and fear for no man had ever tamed one When it flew overhead it left in its wake desolate cold and frozen land But Adara was not afraid For Adara was a winter child born during the worst freeze that anyone even the Old Ones could remember Adara could not remember the first time she had seen the ice dragon It seemed that it had always been in her life glimpsed from afar as she played in the frigid snow long after the other children had fled the cold In her fourth year she touched it and in her fifth year she rode upon its broad chilled back for the first time Then in her seventh year on a calm summer day fiery dragons from the North swooped down upon the peaceful farm that was Adara's home And only a winter child and the ice dragon who loved her could save her world from utter destruction The Ice Dragon marks the highly anticipated children's book debut of George R R Martin the award winning author of the New York Times best selling series A Song of Ice and Fire and is set in the same world Illustrated with lush exquisitely detailed pencil drawings by acclaimed artist Yvonne Gilbert The Ice Dragon is an unforgettable tale of courage love and sacrifice by one of the most honored fantasists of all time *Ice Dragon* Jordan Quinn,2021-11-30 In this sixth installment of the exciting Dragon Kingdom of Wrenly graphic novel series Ruskin and his friends meet an ancient ice dragon Ruskin and his friends travel to Flatfrost for the Winter Festival which is extra special this year because the legendary ancient ice dragon has appeared Being thousands of years old the ice dragon is perhaps the only living creature who knew the original dragon king She also unknowingly holds an important piece to the puzzle of who the dark forces are that have been plotting against Ruskin Can Ruskin and his friends uncover the secret and keep the ice dragon safe **Dragon Ice** Sue Perkins,2018
