Iribas, 1900 **Free Enquirer**, 1969 **Dread of Night** Boeringa Forest, 2010-08-28 **Shadows** John Saul, 1993-05-01 They call it the Academy A secluded cliff top mansion overlooking the rugged Pacific coast A school for children gifted or cursed with extraordinary minds Children soon to come under the influence of an intelligence even more brilliant than their own and

unspeakably evil For within this mind a dark plan is taking form A plan so horrifying no one will believe it No one but the children And for them it is already too late Too late unless one young student can resist the seductive invitation that will lead into the Shadows *Dread Nation* Justina Ireland,2018-04-03 New York Times bestseller 6 starred reviews At once provocative terrifying and darkly subversive *Dread Nation* is Justina Ireland s stunning vision of an America both foreign and familiar a country on the brink at the explosive crossroads where race humanity and survival meet Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg Pennsylvania derailing the War Between the States and changing the nation forever In this new America safety for all depends on the work of a few and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead But there are also opportunities and Jane is studying to become an Attendant trained in both weaponry and etiquette to protect the well to do It s a chance for a better life for Negro girls like Jane After all not even being the daughter of a wealthy white Southern woman could save her from society s expectations But that s not a life Jane wants Almost finished with her education at Miss Preston s School of Combat in Baltimore Jane is set on returning to her Kentucky home and doesn t pay much mind to the politics of the eastern cities with their talk of returning America to the glory of its days before the dead rose But when families around Baltimore County begin to go missing Jane is caught in the middle of a conspiracy one that finds her in a desperate fight for her life against some powerful enemies And the restless dead it would seem are the least of her problems Abundant action thoughtful worldbuilding and a brave smart and skillfully drawn cast entertain as Ireland illustrates the ignorance and immorality of racial discrimination and examines the relationship between equality and freedom Publishers Weekly An Anti Racist Children s and YA Reading List **The Eye of Dread** Emma Payne Erskine,2020-09-28 Two whip poor wills were uttering their insistent note hidden somewhere among the thick foliage of the maple and basswood trees that towered above the spring down behind the house where the Ballards lived The sky in the west still glowed with amber light and the crescent moon floated like a golden boat above the horizon s edge The day had been unusually warm and the family were all gathered on the front porch in the dusk The lamps within were unlighted and the evening wind blew the white muslin curtains out and in through the opened windows The porch was low only a step from the ground and the grass of the dooryard felt soft and cool to the bare feet of the children In front and all around lay the garden flowers and fruit quaintly intermingled Down the long path to the gate where three roads met great bunches of peonies lifted white blossoms luminously white in the moonlight and on either side rows of currant bushes cast low dark shadows and here and there dwarf crab apple trees tossed pale scented flowers above them In the dusky eveninglight the iris flowers showed frail and iridescent against the dark shadows under the bushes The children chattered quietly at their play as if they felt a mystery around them and small Betty was sure she saw fairies dancing on the iris flowers when the light breeze stirred them but of this she said nothing lest her practical older sister should drop a scornful word of unbelief a thing Betty shrank from and instinctively avoided Why should

she be told there were no such things as fairies and goblins and pigwidgeons when one might be at that very moment dancing at her elbow and hear it all So Betty wagged her curly golden head wise with the wisdom of childhood and went her own ways and thought her own thoughts As for the strange creatures of wondrous power that peopled the earth and the sky and the streams she knew they were there She could almost see them could almost feel them and hear them even though they were hidden from mortal sight Did she not often go when the sun was setting and climb the fence behind the barn under the great locust and silver leaf poplar trees where none could see her and watch the fiery griffins in the west Could she not see them flame and flash their wings spreading far out across the sky in fantastic flight or drawn close and folded about them in hues of purple and crimson and gold Could she not see the flying mist women flinging their floating robes of softest pink and palest green around their slender limbs and trailing them delicately across the deepening sky Had she not heard the giants nay seen them driving their terrible steeds over the tumbled clouds and rolling them smooth with noise of thunder under huge rolling machines a thousand times bigger than that Farmer Hopkins used to crush the clods in his wheat field in the spring Had she not seen the flashes of fire dart through the heavens struck by the hoofs of the giants huge beasts Ah She knew If Martha would only listen to her she could show her some of these true things and stop her scoffing *What Lies in Shadows* John Piernicky,2011 **Creep, Shadow!** A. Merritt,2020-01-24 This Two Thousand Year Old Sorceress Had the Power to Turn People into Shadows Here is A Merritt s masterwork our publisher s pick for the best of all his classic fantasies Creep Shadow Is based on legends of Ys and an old Breton song Fisher fisher have you seen White Dahut the Shadow Queen Riding on her stallion black At her heels her shadow pack Had the last King and Princess of wicked Ys returned after three thousand years Why were they creating an exact replica of Stonehenge on their New Jersey estate What was the Mael Bennique the Breaker of Chests And what was the dread Gatherer in the Cairn And can men and women really be turned into shadows and made the helpless slaves of the one who transformed them
