

The American dream... justice, wealth and happiness for all... but a dream which threatens to destroy one family.

In the city of Chicago two brothers live very different versions of the American dream.

One is an idealistic young priest on a mission to save the city's poor and homeless. The other is an ambitious corporate lawyer whose only aim is to make money - whatever the cost.

As the two brothers fight for their dreams, they become enmeshed in a web of intrigue, lies, betrayal and blackmail.

KYLE MACLACHLAN ('The Hidden', 'Dune') gives a powerful performance alongside ROBERT LOGGIA ('Big') in this powerful story of corruption and treachery in the high powered world of big business.

Servants of the People NA NA,2016-04-30 Beginning with the 1954 Brown v Board of Education Supreme Court case this book traces the lives of six American civil rights leaders as they willingly risk their lives for the civil rights cause A Philip Randolph Frederick D Patterson Thurgood Marshall Whitney M Young Adam Clayton Powell Jr and Fannie Lou Hamer

The Radical Fund John Fabian Witt,2025-10-14 From Pulitzer Prize finalist John Fabian Witt comes the captivating secret history of an epic experiment to remake American democracy Before the dark money of the Koch Brothers before the billions of the Ford Foundation there was the Garland Fund In 1922 a young idealist named Charles Garland rejected a million dollar inheritance In a world of shocking wealth disparities shameless racism and political repression Garland opted instead to invest in a future where radical ideas like working class power free speech and equality might flourish Over the next two decades the Garland Fund would nurture a new generation of wildly ambitious progressive projects The men and women around the Fund were rich and poor white and Black They cooperated and bickered they formed rivalries fell in and out of love and made mistakes Yet shared beliefs linked them throughout They believed that American capitalism was broken They believed that American democracy if it had ever existed stole from those who had the least And they believed that American institutions needed to be radically remade for the modern age By the time they spent the last of the Fund's resources their outsider ideas had become mass movements battling to transform a nation A luminous testament to the power of visionary organizations and a meditation on the vexed role of money in American life The Radical Fund is a hopeful book for our anxious angry age an empowering road map for how people with heretical ideas can bring about audacious change
