## **Dreaming In Fields Of Killer Sheep:**

**Dreaming in Fields of Killer Sheep** David DiSalvo,2003-10 From a fresh independent voice comes a collection of nine stories built on powerful emotional ground What does it take to forge self identity confront the past shatter personal myths and live an authentic life In *Dreaming in Fields of Killer Sheep* these questions are weaved throughout narratives in which individuals willing to face conflict both external and internal gain glimpses of truth in the shadows An everyman confronts a sexual predator in a department store and faces a dark reality lying just beneath the surface of his psyche A political staffer returns to her childhood home for a funeral and discovers disturbing news that challenges her to act An opportunist seeking an easy way out of trouble unexpectedly faces a choice of being an accomplice to unknown evil or an improbable hero And in the title story a young advertising executive crashes from his ascent into a sea of questions about what being authentic really means These and other tales in this collection challenge us to look beyond the obvious into dimly lit margins where truth and perception aren't so easily divided and where the battle for self is joined

**The Advice of Dreams** David Margaretsen,2024-03-01 Brought to light after centuries buried in profound silence *The Advice of Dreams* is the story told here for the first time of Tynan and the Caledonians people unremembered by history and their ardent struggle for life meaning freedom and happiness Amidst a violent clash of cultures Tynan is torn from his rural life and flung into the shifting crosscurrents of his generation Challenged by deeply ingrained personal and social barriers caught in a maelstrom of political intrigue swept up in a vast armed confrontation he becomes an unlikely key in the desperate struggle for his homeland and a broad kingdom fought over by two ancient enemies Set in an era roiled by war revolution and the conflict of ideas told in the vivid detail of a contemporary eyewitness and rendered in remarkable imagery *The Advice of Dreams* evokes a world and its people telling a tale that will fascinate those who respond to the romance of the past A story from a time and place long vanished *The Advice of Dreams* resonates with the valor of the human spirit and speaks of those who fought for something worth fighting for [Mountain Of Lost Dreams](#) Annelie

Botes,2012-10-01 Set in the farming community of the Kammanassie mountains in the Eastern Cape Annelie Botes's family saga takes us into the world of the Verryne family Daniel the father and Schoonraad the son Both men are passionate about their land and about preserving the beauty of the wildlife and fynbos around them but they are both headstrong individuals who share an uncompromising obstinacy A single incident which neither of them can confront drives them apart creating a rift which seems impossible to bridge Botes's evocative style with its touches of magical realism and her ability to bring her
