Spurgeon, Alexander Maclaren, Thomas Manton, This edition contains original Greek notes and is properly formatted for all ereading devices apps What if Charles Spurgeon helped you prepare next Sunday s sermon Or what if you could talk over your preaching with Joseph Parker Richard Baxter Henry Ward Beecher and H P Liddon Do you think it would make a difference to get the input of some of the greatest preachers who ever lived That s precisely what Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator In what can only be called a Herculean feat he spent years gathering preaching notes and sermon outlines from the very best preachers of his day in the late 1800s and early 1900s and he did it covering every book of the Bible And it is amazingly comprehensive Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past Though there is plenty of exegetical material here this is not primarily a commentary This series is for preachers teachers Bible students and anyone else looking for penetrating pastoral insights some of the all time greats of the faith **Future and Fantastic Worlds**

Sheldon Jaffery, 1987 Future and Fantastic Worlds embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool Directory of Investor-owned Hospitals and Hospital Management Companies , 1976
