Playing with Fire Aditi Malik,2024-06-27 Combines data from Kenya and India to show how party instability can impact elites decisions to organize party violence      Famous Presidential Elections Kathryn Weggate,2020-07-15 The first presidential election in the United States was carried out in a very different way than elections as we know them today Over the years there have been many prominent and memorable elections to decide the president The history of presidential elections is ripe with terrific stories Written at a low reading level this accessible guide uses simple language to reinforce key social studies concepts that are central to upper elementary curricula Full color photographs and engaging fact boxes offer further information and support a strong comprehension of the material      *Elections Today* ,2004 News from the world of elections      The Taiwan Independence Movement In And Out Power Dongtao Qi,2016-01-07 This book is a study of the Democratic Progressive Party DPP the Taiwan Independence Movement TIM and electoral politics in Taiwan during 2000 2012 It consists of two parts the first part proposes a movement government framework to understand the fluctuating popular support for the DPP government during 2000 2008 when it was in power and the second part includes a series of studies on the DPP s quick but limited revival during 2008 2012 when it was out of power For the DPP in and out of power its strategic relations with the TIM have either promoted or constrained popular support for the DPP under different circumstances This book reviews the history of the TIM since 1945 its relations with the DPP since 1986 the DPP s strategies in dealing with the TIM and explains how these strategies have significantly affected the size and composition of the DPP s support base since 2000 by analyzing rich survey data collected during 1996 2013 Theoretically this book challenges the traditional dichotomous and overly structuralist understanding of state movement relations empirically it provides both qualitative and quantitative analysis of Taiwan s major political and social events since 2000 such as presidential and legislative elections and rise of Taiwanese nationalism      Provisions of the Election Laws of the State of Missouri Missouri,1906      Election Laws of the State of Missouri and the Federal Naturalization Laws Missouri,1911

**Responding to Mass Atrocities in Africa** Raymond Kwun-Sun Lau,2021-12-14 This book explores the relationship

between the Responsibility to Protect R2P and the International Criminal Court ICC challenging the assumption that they are always mutually reinforcing or complementary and examining instead the many tensions which arise between the immediate imperative of saving lives and the more long term prospect of punishing perpetrators and preventing future conflicts through deterrence Around the world audiences in the mid 1990s watched the mass atrocities unfolding in Rwanda and Srebrenica in horror and disbelief Emerging from these disasters came an international commitment to safeguard and protect vulnerable communities as laid out in the R2P principle and an international responsibility to punish perpetrators with the establishment of the ICC The book provides context independent proposals for resolving contradictions between the two principles suggesting that focusing on timing and sequencing in invoking international R2P and ICC actions could facilitate the easing of tensions Drawing on examples from Uganda Kenya and Darfur the book applies International Relations concepts and theories in order to deepen our understanding of international responses to mass atrocities Ultimately the book concludes that a Protection First Justice Later sequence approach is necessary for managing the tension and facilitating more effective and consistent international responses This book makes an important contribution to discussions and debates surrounding international responses to genocide and mass atrocities It will be of special interest to scholars students and policymakers in International Relations Global Governance African Studies International Development Human Rights and International Criminal Law
