**Word Stash** Bill Casselman, 2017-10-13 Samples of the gems which glitter and await the reader inside Bill Casselmans Word Stash Ever helpful I offer readers handy tips not just about words but about living In a chapter on avoiding tired weather words I write Likewise disdained in weather response is understatement When a small child is blown away down the block towards an operating hay baling machine dont say Looks like the breeze has freshened On the contrary scream and run madly to retrieve the aerial infant But during weather commentaries overstatement may also be scorned At the onset of a thunder clap which sends a pet dachshund under grandmothers shawl do not leap on the barbeque canopy and shout Action stations What was my aim in writing this collection of short essays about language In each chapter I tried to select one word not merely rare but a choice vocable that is in fact le mot recherch a term uncommon to the point of pretentiousness Email response reveals that readers of my work want to expand their vocabularies So why else am I here if not to foist upon innocent readers the most obscure word mosses scraped from oblivions grotto With that modest caution then I invite readers to press onward toward the broad sunlit uplands of enlightenment where new words dwell **The Cosmopolitan** ,1922
