## **Best Little Boy In The World Grows Up:**

The Best Little Boy in the World Grows Up Andrew Tobias, 2010-09-22 John Reid's *The Best Little Boy in the World* was hailed as a classic memoir of growing up gay in a straight world. But John Reid didn't write it. Years would pass before the writer could reveal his true identity as Andrew Tobias, America's bestselling financial guru, author of *The Only Investment Guide You'll Ever Need*. Now, twenty-five years later, Tobias, proud to use his real name, brings his remarkable life story up to date. Writing with his customary charm and frank humor, Tobias tells of love affairs and heartbreak, hot New York parties and tough political battles, the excitement of genuine social change and the tragedy of seeing dear friends die young. Here too are the unforgettable scenes of Tobias revealing his sexual orientation not only to his parents but to the president of the United States. The author is an irresistible companion as he shares with us his proud stories, embarrassing confessions, and hilarious musings on the homosexual lifestyle. Witty, heartfelt, and wonderfully affirming in every sense, this is Andrew Tobias's finest book to date.

*The Best Little Boy in the World Grows Up* Andrew P. Tobias, 1998. In this follow-up to his classic coming-out coming-of-age memoir, which he wrote under the pseudonym John Reid, Tobias tells the next part of his personal story and the story of a civil rights movement. Jacket

**Keeping Family Secrets** Margaret K. Nelson, 2022. Drawing on 160 published memoirs, this book explores the costs and benefits in the post-WWII period in the United States, both for individuals and for families, of keeping secrets about homosexuality, institutionalization of children with disabilities, unwed pregnancy, involvement in left-wing political activities, adoption, and Jewish ancestry.

**The Advocate**, 1998-09-29. *The Advocate* is a lesbian, gay, bisexual, transgender, and LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**The Best Little Boy in the World Grows Up** Andrew Tobias, 1998-09-01. Twenty-five years ago, the bestselling financial writer Andrew Tobias wrote a classic coming-of-age memoir called *The Best Little Boy in the World*. He had to write it under a pseudonym, John Reid, because the book was about a cultural taboo: homosexuality. Tobias was not ready to discuss the subject even with his parents. That book has entertained and educated over a million readers and has never gone out of print. Now Tobias has returned to tell the next part of his personal story and the story of a civil rights movement in this witty and affirming memoir, *The Best Little Boy in the World Grows Up*. America has come a long way since the early seventies, and so has Andrew Tobias. What hasn't changed is the author's sense of humor and his gift for telling stories. Here, the tales range from the personal accounts of heartbreak and love to the political coming-out to the president of the United States and a crowd of eight hundred others at a time when it was less fashionable to be out than it is now. Tobias describes the distance traveled from infatuation to love, from adventure to commitment, from confusion to self-awareness. The result is a heartfelt and frequently hilarious coming-of-middle-age story told with candor, charm, and the kind of wisdom that can only come from the experience of having grown up in exciting times and a changing world. This book is the story of that change, at least from my small window on it. Tobias writes and a thank-you note to those very possibly
