Berkeley Experimental Philosophy:

Berkeley David Berman,1997 A short book combining extracts from one of the world s greatest thinkers with commentary from one of Britain s most distinguished writers on philosophy **The Development of Berkeley's Philosophy** George Alexander Johnston,1923 **Locke on Knowledge, Politics and Religion** Kiyoshi Shimokawa,Peter R. Anstey,2021-08-26 Locke scholarship has been flourishing in Japan for several decades but its output is largely unknown to the West This collection makes available in English for the first time the fruits of recent Japanese research opening up the possibility of advancing Locke studies on an international scale Covering three important areas of Locke s philosophical thought knowledge and experimental method law and politics and religion and toleration this volume criticizes established interpretations and replaces them with novel alternatives breaking away from standard narratives and providing fresh ways of looking at Locke s relationship with philosophers such as Boyle Berkeley and Hume The specific topics that have been selected are ones that continue to have important contemporary moral and political implications from constitutionalism and toleration to marriage and the death penalty Applying Locke s views to 21st century questions this collection presents provocative readings of the defining aspects of Locke s philosophical thought stimulating current debates and heralding a new era of collaborative work for Locke scholars around the world **The British Empiricists** Keith Thomas,1992 This is a collection of three concise accessible introductions to the lives and works of Locke Berkeley and Hume [A Study of George Berkeley's Theory of Linguistic Meaning, with a Discussion of Locke's Account of Language and a Consideration of the Relevance of Their Philosophies of Science](#) David Aaron Givner,1959 [Berkeley's Transition](#) Scott Christopher Breuninger,1997 [Studies in the Eighteenth Century Background of Hume's Empiricism](#) Mary Shaw Kuypers,1930 **Bishop Berkeley's gift of books to Yale in 1733 ...** Andrew Keogh,1933 *Berkeley: The Philosophy of Immaterialism* I.C.
