Clinton McCann,2024-09-19 Why is the most important text in the Bible a psalm more specifically Psalm 82 Because this psalm portrays genuine divinity as an unwavering commitment to justice defined as attention to and provision for the most vulnerable Furthermore according to Psalm 82 the well being of the human family depends on divine justice as does peace on earth and a stable future for the planet The Psalms historically have nurtured a form of spirituality that is person centered and that invites people to identify with the range of emotions expressed in the Psalter s praises and laments This is good but the Psalms do more Beginning with Psalm 82 this volume involves a re reading of the traditional psalmic genres including the enthronement psalms royal psalms a torah psalm the laments the songs of praise the psalms of assurance and the Songs of Zion Such a re reading reveals that the Psalms also nurture an activist spirituality that invites people to join God in God s work of establishing justice and peace on a creation encompassing scale The world depends on it **Elementary and Middle School Social Studies** Pamela J.
