

5 I POSITIVE Affirmations for Women

to speak over your life each morning

I am full of energy & am feeling fueled to tackle any things I have to do today.

I choose to be happy.

I am grateful for everything & everyone I have in my life.

I am worthy of love & affection.

God wants what's best for my life so I relinquish all my fears onto him as they are not my burden to bear.

I will live in the moment today & not stress about my past or worry about the future.

My past mistakes do not define who I am now.

The people who are meant to be in my life will come into it & stay.

I am a strong & confident woman.

I am an intelligent individual.

I don't waste my energy worrying about things out of my control.

I love my body & am comfortable in my own skin.

I am exactly where I am supposed to be at this point in my life.

I know my worth & remind others of theirs.

I am a kind human being.
