

Afflicted Girls

Lauren Gardner

Afflicted Girls:

The Afflicted Girls Nicole Cooley, 2004-04-01 Twenty individuals were executed and more than 150 imprisoned The historical body of evidence that remains from the Salem witch trials of 1692 touched the hands mind and imagination of poet Nicole Cooley compelling her to seek entry to an inaccessible past of lies The Afflicted Girls so named after the young women who claimed to be victims of witchcraft spans the centuries to give voice to those both audible and silent on history's pages accusers and accused of several kinds wife and husband servant and master congregant and minister and not least bewitched and witch Piercing enchanting Cooley's poems form a remarkable narrative one that displays the enormous cultural power the Salem witch trials retain in twenty first century America The Afflicted Girls, 2009 **Possession and Exorcism** Brian P. Levack, 1992 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company *Reading the Salem Witch Child* Kristina West, 2020-11-17 This book discusses the role of children in the Salem witch trials through a close reading of the many and varied narratives of the trials including court records contemporary and historical documents fiction drama and poetry Taking a critical theory approach to explore both what we might understand as a child in 1692 New England and to consider our adult investment in reading the child Kristina West explores narratives of the afflicted girls and the many accused children whom are often absent or overlooked in histories and considers how the trial structure is continually repeated in attempts to establish the respective guilt and innocence of these and other groups This book also analyses later manuscripts and fictional rewritings of the trials to question the basis on which assumptions about the child in history are made and to consider why such narratives of Salem's children are still relevant now *Our Working-girls and how to Help Them* Flora Lucy Freeman, 1908 **Harper's New Monthly Magazine** Henry Mills Alden, 1892 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs The Sunday School Helper, 1894 Illusive Shadows Lloyd E. Chiasson, 2003-11-30 As Chiasson and his contributors illustrate trials are media events that can have long reaching significance They can and have changed the way people think how institutions function and have shaped public opinions While this collection on ten trials is about witchcraft slavery religion and radicalism it is in many ways the story of America Trials are the stuff of news Those rare moments when justice or a reasonable facsimile is meted out And what offers up more high drama or melodrama than a highly publicized trial Most news events enjoy short life spans They happen they are reported they are quickly forgotten As Chiasson and his contributors make clear a trial often is a lingering living thing that builds in tension It is every once in a long while a modern Shakespearean drama with a twist The audience becomes members of the cast because every once in a long while society finds itself the defendant Trials can have lasting importance beyond how the public perceives them A trial can have long reaching significance if it changes the way people think or how institutions function or shapes public opinion Ten such American trials covering a span of 307 years are covered here In each the sociological underpinnings of events often has greater significance than either the crime or the trial The ten

trials included are the Salem witch trials the Amistad trial the Sioux Indian Uprising trials the Ed Johnson Sheriff Shipp trial the Big Bill Haywood trial the Ossian Sweet trial the Clay Shaw trial the Manuel Noriega trial and the Matthew Shepard trial While the book is about ten crimes the subsequent trials and the media coverage of each it is also a book about witchcraft about religion slavery and radicalism It paints portraits of a racist America a capitalistic America an anarchist America It relates compelling tales of compassion greed stupidity and hate beginning in 17th century colonial times and ending in present day America In many ways it is the story of America

Our Colonial and Continental Ancestors Louis Effingham De Forest,1930 **Hazell's annual** ,1910 **Hazell's Annual Cyclopaedia** ,1910 Faith-healing James Monroe Buckley,1892 The Grotonian ,1903 Hazell's Annual ... a Cyclopædic Record of Men and Topics of the Day ... ,1910

New England Magazine and Bay State Monthly ,1885 *The Bay State Monthly* ,1885 *Dulcibel* Henry Peterson,1907 **History of Essex County, Massachusetts** Duane Hamilton Hurd,1888 **Home Chat** ,1899
