for African Americans Jeffrey Roger Gardere, 1999 African American children face many imposing threats in today's world: academic failure, drugs, gangs, irresponsible sex, and attraction to crime among others. For the parents of these children, it takes knowledge, effort, and caring to effectively deal with such tough issues. In *Smart Parenting for African Americans*, Dr. Jeffrey Gardere presents a savvy, realistic guide for today's Black parents. He takes an honest look at the problems their children face and stresses the importance of strong parent-child communication for fostering self-esteem.

Child Discipline in African American Families Carla Adkison-Johnson, 2021-02-22 In *Child Discipline in African American Families*, Carla Adikison Johnson provides a contextual understanding of African American disciplinary practices, giving clinicians, child welfare professionals, and legal professionals a framework to better define what is reasonable and functional when addressing child-rearing concerns with African American parents. Highlighting numerous sources, cases, narratives, and data, Adkison Johnson debunks the theory that spanking is the preferred method of child discipline for African American parents and provides new insights into how African American parents grapple with establishing parenting goals and child behavior expectations in a society that is often hostile toward African American children. Accompanied by the perspectives of a seasoned trial lawyer, the arguments in this book are brought to life, enabling readers to witness how child-rearing concerns can play out in a real-world context.

Facing the Rising Sun Oronde A. Miller, 2010-09 Reflecting on personal and professional experiences, Oronde offers a refreshing contribution to discussions about the well-being of African American families and children. This collection of essays is a must-read for anyone concerned about African American families and the improvement of this nation's child welfare and juvenile justice systems. *Facing The Rising Sun* begins with an impassioned call to personal and professional activism. In the essays that follow, Miller highlights the importance of nurturing families and communities, highlighting the deeper significance and beauty inherent in opportunities to develop families for children and youth in need. He goes on to describe problematic features of this nation's systems for supporting children, youth, and families while offering a vision for what a set of systems could look like when dedicated to supporting and healing children, families, and communities. Evident throughout these essays is Oronde Miller's clear love and belief in the transformative potential of African American families and communities. This collection of essays will both challenge and inspire readers to reflect more thoughtfully and critically about the transformative possibilities for this nation's human service systems, as well as our individual and collective roles in the work of healing African American families. Human service professionals, judges, and legal professionals, social workers, educators, and students, as well as families, will thoroughly enjoy reading these essays.
