Adventuring With Brindle:

Adventuring with Brindle ... Illustrated by Constance Marshall. (Second Edition.). Rosemary Garland, 1964

Adventuring with Brindle Rosemary Garland, 1964

Further Adventures of Tabitha Miggins, Ship's Cat on the

Pill Ferry Mark Clinton Jones, 2015 Here we go here's another set of half-witted adventures and reminiscences from that most furry of all heroines Tabitha Miggins. In this eminently bushy-tail she manages to change the course of history thanks to a slight faux pas. It gets better though thanks to Tabitha going to have a chinwag with her future self so as to find out how she saved the world from the radical new history that she'd caused. As it turns out saving the world involves passing Warp speed and knitting at Weft speed even though this means Tabitha knitting herself out of history altogether. Some days a cat just has to do what a cat has to do that's what duty's all about. If all this wasn't enough Tabitha meets up again with the dastardly Smuckle and we find out how he managed to survive throwing himself in the sea whilst bound in heavy iron chains back in the last book. We also get to find out how the decorating in his hideout on Lundy went.

The Adventures of Arabella Ashby David D. Levine, 2020-07-14 This discounted ebundle includes Arabella of Mars Arabella and the Battle of Venus and Arabella The Traitor of Mars Hugo Award-winning author David D. Levine's The Adventures of Arabella Ashby follows the swashbuckling adventurer around the galaxy in this sci-fi alternate history series of the Napoleonic Wars fought on the final frontiers of Mars and Venus. Britain and France have colonized Earth's nearest neighbors and Arabella Ashby has joined the crew of the Mars Trading Company ship Diana only to get caught in the crosshairs of international intergalactic war. Arabella of Mars is the delicious love child of Jane Austen, Patrick O'Brian, and Jules Verne. Arabella Ashby is a great character and wonderful worldbuilding, tight plotting, and a breakneck pace make Arabella of Mars a real page-turner. New York Times bestselling author Mary Jo Putney Arabella of Mars Arabella joins the crew of the Diana, a ship serving the Mars Trading Company where she meets a mysterious captain who is intrigued by her knack with clockwork creations. Now Arabella just has to weather the naval war currently raging between Britain and France, learn how to sail, and deal with a mutinous crew if she hopes to save her family remaining on Mars. Arabella and the Battle of Venus Arabella's wedding plans are interrupted when her fiancé is captured by the French and sent to a prisoner-of-war camp on swampy Venus. Once on Venus they soon discover that Napoleon has designed a secret weapon, one that could subjugate the entire galaxy if they can't discover a way to stop the dread French general Fouch and the entire French army from completing their emperor's mandate. Arabella The Traitor of Mars The tyrant Napoleon has been defeated with Arabella and the crew of the Diana leading the final charge. But victory has come at a tremendous cost. Arabella must decide between staying loyal to the man she loves and the country of her father or betraying all that she has known to fight alongside the Martians in a hopeless resistance against the Galaxy's last remaining superpower.
