**Adventure in Discipleship** Harry C. Griffith, 1978 Adventure in Discipleship is a learner's manual for the new Christian who may need help in knowing how to follow Jesus. It is a checklist for the Christian of long standing who will discover areas in his spiritual life which may have been neglected. All Christians need to grow. This book will lead the way to a more mature Christian life. Back cover *Adventure in Discipleship*, 1985

**The Adventure of Discipling Others** John Purvis, Ron and Mary Bennett, 2014-02-27 Just like Jesus you can pour faith into believers helping them grow spiritually and fulfill their unique niche in God's kingdom. In this handbook and Bible study you'll learn why we are called to disciple believers. What topics lay a biblical foundation for new Christians. How to develop a discipling process

**Adventure in Discipleship** Helen Johns, Norman Bert, 1992-06-01

*Adventures in Discipleship* Michael Pearson, 2020-12-07 Adventures in Discipleship is a 40-day adventure of stepping out of your comfort zone, reevaluating your motives, and learning to love people like Jesus does. It is designed to help mature your faith and encourage you to set an example that others can follow. The more you experience and understand God's love for you, the more you can grow in your love for Him and for the people all around you. The more you surrender to God, the more exciting and fulfilling life becomes. So get on God's team. This is where the adventure begins.

**The Adventure of Discipleship** Daniel A. Keating, 2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path provided for us by God. Such a sojourn will surely be marked by joy, suffering, uncertainty, and above all, adventure. Accordingly, *The Adventure of Discipleship* presents the Gospel through the lens of great adventure stories from J.R.R. Tolkien's *The Lord of the Rings* and C.S. Lewis's *Chronicles of Narnia* to popular adventure movies, comic book superheroes, and TV series. While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship, they provide us with genuine insight into life with Christ. Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us. Along the way of discipleship, we come to understand the cost of following Jesus, the importance of hope in light of setbacks, and the gift of true friendship in this great adventure.

**Organic Disciples Study Guide** Kevin G. Harney, Sherry Harney, 2021-12-28 Connect your journey of discipleship with a passion for the world to meet Jesus Christ. For many followers of Jesus, discipleship means doing certain things to deepen our connection with Jesus Christ. But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world. Based on the teachings and reflection of their book *Organic Disciples*, Kevin and Sherry will lead you and your group through the seven markers of spiritual maturity and how these biblical practices can connect us with God's work of reaching people with his love. Bible Engagement, Passionate Prayer, Wholehearted Worship, Humble Service, Joyful Generosity, Consistent Community, Organic Outreach. True spiritual maturity.

will always lead believers outward to engage the world with the good news and truth of Jesus You ll learn how to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity and how to design a personal pathway of growth to be more like Jesus in character and mission Used together with the Organic Disciples book and the free video study and online assessment available at OrganicOutreach.com churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus

*Making Disciples* Sylvia Wilkey Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been

shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **The Adventure of Discipleship** Daniel
