encompass issues relevant to law and society immigration and refugee policy and victimization as well as crime The original essays in this volume uncover and identify the unanticipated and hidden consequences of immigration policies and practices here and abroad at a time when immigration to the U S is near an all time high Ultimately Punishing Immigrants illuminates the nuanced and layered realities of immigrants lives describing the varying complexities surrounding immigration crime law and victimization *Freedom of Information Act Guide* ,2009 The Freedom of Information Act Guide is an overview discussion of the FOIA s exemptions its law enforcement record exclusions and its most important procedural aspects
