American Commandos:

Commando Kenneth Macksey, 2013-07-20 *Commando* is the all action history of World War II's toughest troops and is the complete untold story of victory against overwhelming odds Kenneth Macksey offers the details of St Nazaire Bruneval Dieppe as well as the key players such as Stirling Lovat and Carlson Macksey skilfully provides a study of the lesser known figures such as Edson Appleyard and Pickney bringing to life their courage and determination while celebrating the sailors who enabled the raiders to reach their destinations *Commando* is a gripping narrative tracing the actions of the fearless men who served as Allied commandos for the Combined Operations department during the war [Spies and Commandos](#)

Kenneth J. Conboy, Dale Andradé, 2000 During the Vietnam War the U S sought to undermine Hanoi's subversion of the Saigon regime by sending Vietnamese operatives behind enemy lines All the commandos were killed or captured with many reporting false information This book traces the rise and demise of this secret operation **Eisenhower's Armies** Niall Barr, 2015-12-15 The Anglo American relationship from 1941-1945 proved to be the most effective military alliance in history Yet there were also constant tensions and disagreements that threatened to pull the alliance apart Based on considerable archival research on both sides of the Atlantic Eisenhower's Armies considers the breadth and depth of the relationship from high level strategic decisions the rivalries and personalities of the commanders to the ordinary British and American soldiers who fought alongside one another This is the story of two very different armies learning to live work and fight together even in the face of serious strategic disagreements and a very human story about the efforts of many individuals famous or otherwise who worked and argued together to defeat Hitler's Germany This dynamic new history provides a fresh perspective on many of the controversies and critical strategic decisions of World War II providing expert analysis of the Anglo American military alliance as well as new insights into the special relationship of the mid twentieth century **New York Magazine**, 1986-03-24 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Abuse Your Illusions** Russ Kick, 2003-05-01 The third of Russ Kick's bestselling *Disinformation Guides* gathers another all star line up of exposés Juries have ruled in recent trials that Watergate was really about a Democratic Party prostitution ring Ignored in the U S and distorted elsewhere the Milosevic tribunal hasn't gone the way authorities were anticipating We present exclusive first hand reporting from the trial Most theologians don't believe in the physical Resurrection of Jesus In 2001 the U S uncovered the biggest spy ring in the country since WWII yet most people never heard about it The U S is engaging in bioweapons research that violates international treaties and federal law The *New York Times* knows about this but refuses to report it Teddy Roosevelt and Wall Street created Panama for profit Gandhi wasn't so

wonderful after all These are just some of the revelations in the third of our all star anthologies Following up on bestsellers You Are Being Lied To and Everything You Know Is Wrong editor Russ Kick has again assembled a line up of leading investigative journalists academics activists commentators and independent researchers covering CIA assassinations the anthrax attacks fluoride TWA 800 Abraham Lincoln child protective services the tobacco industry forgotten uprisings the government s missing trillions even more revelations about 9 11 and much more Contributors include Gary Webb Greg Palast Noreena Hertz Howard Zinn Douglas Valentine Jim Hougan Kristina Borjesson Arianna Huffington and many more well known writers some of whom you ll be extremely surprised to see in these pages
