American Grit

Nathaniel J. Fuller PhD

American Grit:

American Grit Emily Foster, Anna's letters not only provide us with a revealing look at the life of a pioneer woman but they also teach much about the medical practices the religious and political goings on of the day and even about the structure of the pioneer family Her passion to share the daily details of her life with her distant family provides the modern reader with a new insight into the determination strength of character and optimism it took to settle and survive on the early Ohio frontier Jacket

American Grit Tony Blankley, 2009-01-15 Tough Times Call for Tough Action In American Grit nationally syndicated columnist Tony Blankley warns that the administration of Barack Obama is a potential disaster at a dangerous time for America Challenging Americans to recapture the spirit of sacrifice that has historically characterized our nation Blankley demonstrates how Obama's agenda with its emphasis on environmental sensitivity military retreat and the diminution of executive branch powers promotes national weakness as a righteous ideal In contrast Blankley puts forward his own nationalist program based on toughness resoluteness and grit traditional American values totally absent from Obama's agenda Filled with solutions to problems ranging from the detention of enemy combatants to dealing with aggressive petro states like Russia Venezuela and Iran American Grit demonstrates how this country can emerge from its current domestic and military challenges as a stronger more unified and more tenacious nation and why under President Obama it won't

The Oxford Handbook of Midwestern History Jon Lauck, 2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest's natural resources in the region's economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish Dutch and Latinos and the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History
