

# *The American Magazine: Research Perspectives and Prospects*

By David Abrahamson, Editor

Northwestern University

This definitive volume on magazine scholarship offers a survey of magazine research by which past and present scholarship can be understood. Significant for its integration of so much magazine scholarship, this unique research anthology provides instructors and researchers with articles that survey and organize the important historical and contemporary literature, discuss relevant theoretical and methodological issues, and suggest future directions for scholarship. A collective work, *The American Magazine* consolidates 17 research reviews and original articles by prominent scholars of the American magazine form. It stems from a special issue of the *Electronic Journal of Communication/Revue Electronique de Communication*, for which special editor David Abrahamson called for papers providing "a useful overview of magazine research...by which much of the past and present scholarship can be understood...[and] which will help define the existing corpus of magazine scholarship and suggest cogent directions for further research."

The volume is suitable for courses in journalism, publishing, magazine journalism and journalism history. It can also be used as a principle text in courses focused on magazine research.

**CONTENTS:** INTRODUCTION--Brilliant Fragments: The Scholarly Engagement with the American Magazine (David Abrahamson, Northwestern University). PERSPECTIVES ON MAGAZINE RESEARCH--Research Review: Issues in Magazine Typology (Marcia Prior-Miller, Iowa State University) Research Review: Quantitative Magazine Studies, 1983-1993 (Mark N. Popovich, Ball State University)/An Overview of Political Content Analyses of Magazines (Lawrence J. Mullen, University of Nevada--Las Vegas).
