

A dramatic silhouette scene from the Vietnam War. A large helicopter is being hoisted by a crane, with two soldiers in full combat gear standing on the ground, one on each side, holding onto the hoist cables. The background is a bright, hazy sky, creating a high-contrast silhouette effect. The overall tone is somber and historical.

Divine, 1987 *Vietnam* John Prados, 2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America

**The American Foundation Myth in Vietnam** William W. Cobb Jr., 1998-10 The American Foundation Myth in Vietnam deals with how the results of the Vietnam War challenged the long standing belief in America's role in the world as a unique nation favored by God that carries a global responsibility with it The author disputes the commonly held belief that America discarded this foundation myth developed out of John Winthrop's idea of a city on a hill following Vietnam He reexamines the myth in the context of American history to show that the country still firmly attaches itself to the rhetoric of the foundation myth The analysis divides Americans into one group that believes America's mission cannot be fulfilled without active involvement on the global stage and one that maintains that its mythic goals are fulfilled most effectively by developing itself as the world's model for freedom and democracy The tension created between these perspectives creates a dynamic and durable quality that fuels the power of the foundation myth even after a seemingly destructive event such as the Vietnam War

Abandoning Vietnam James H. Willbanks, 2004 Drawing upon both archival research and his own military experiences in Vietnam Willbanks focuses on military operations from 1969 through 1975 He begins by analyzing the events that led to a change in U S strategy in 1969 and the subsequent initiation of Vietnamization He then critiques the implementation of that policy and the combat performance of the South Vietnamese army ARVN which finally collapsed in 1975

Vietnam and the United States Gary R. Hess, 1998 The volumes in this series critically assess United States foreign relations since 1945 by presenting both historical and contemporary information on the effect that U S politics and economics have had on a multitude of areas around the world Each volume is an authoritative readable account by a preeminent historian and includes A concise chronology of major events Background on pre 1945 history Details on the development and impact of U S foreign policy Explication of themes in postwar international relations Insights into the effects of U S policy on people worldwide Illustrations bibliographic essay and index

**Warmaking and American Democracy** Michael David Pearlman, 1999 While war is most effectively waged as a united effort the United States has consistently waged military conflict without firm central direction Throughout our history observes Michael Pearlman the waging of war has been subject to continuous bargaining and compromise among competing governments and military factions What passes for strategy emerged from this process
