Emmett, 2016 While Michael Pollan and others have popularized ideas about how growing one's own food can help lead to environmental sustainability environmental justice activists have pushed for more access to gardens and fresh food in impoverished communities Now Robert S Emmett argues that mid twentieth century American garden writing included many ideas that became formative for these contemporary environmental writers and activists Drawing on ecocriticism environmental history landscape architecture and recent work in environmental justice and food studies Emmett explores how the language of environmental justice emerged in descriptions of gardening across a variety of literary forms He reveals early egalitarian associations found in garden writing despite a popular focus on elite sites such as suburban lawns and formal southern gardens **Cultivating Environmental Justice** emphasizes the intergenerational work of gardeners and garden writers who from the 1930s on asserted increasingly radical socioeconomic and ecological claims to justice Emmett considers a wide range of texts by authors including Bernard M Mahon Scott and Helen Nearing Katharine S White Elizabeth Lawrence Alice Walker and Novella Carpenter **Early American Garden Writers** Dorothy S. Manks, 1954 One Writer's Garden Susan Haltom, Jane Roy Brown, 2011-09-08 By the time she reached her late twenties Eudora Welty 1909-2001 was launching a distinguished literary career She was also becoming a capable gardener under the tutelage of her mother Chestina Welty who designed their modest garden in Jackson Mississippi From the beginning Eudora wove images of southern flora and gardens into her writing yet few outside her personal circle knew that the images were drawn directly from her passionate connection to and abiding knowledge of her own garden Near the end of her life Welty still resided in her parents house but the garden and the friends who remembered it had all but vanished When a local garden designer offered to help bring it back Welty began remembering the flowers that had grown in what she called my mother's garden By the time Welty died that gardener Susan Haltom was leading a historic restoration When Welty's private papers were released several years after

her death they confirmed that the writer had sought both inspiration and a creative outlet there This book contains many previously unpublished writings including literary passages and excerpts from Welty s private correspondence about the garden The authors of *One Writer s Garden* also draw connections between Welty s gardening and her writing They show how the garden echoed the prevailing style of Welty s mother s generation which in turn mirrored wider trends in American life Progressive era optimism a rising middle class prosperity new technology women s clubs garden clubs streetcar suburbs civic beautification conservation plant introductions and garden writing The authors illustrate this garden s history and the broader story of how American gardens evolved in the early twentieth century with images from contemporary garden literature seed catalogs and advertisements as well as unique historic photographs Noted landscape photographer Langdon Clay captures the restored garden through the seasons *The American Garden* ,1882 **Ellen Shipman and the American Garden** Judith B. Birnbaum,Lisa E. Crowder,1993 *America s Romance with the English Garden* Thomas J. Mickey,2013-04-17 Named one of the year s best gardening books by The Spectator UK Nov 2014 The 1890s saw a revolution in advertising Cheap paper faster printing rural mail delivery railroad shipping and chromolithography combined to pave the way for the first modern mass produced catalogs The most prominent of these reaching American households by the thousands were seed and nursery catalogs with beautiful pictures of middle class homes surrounded by sprawling lawns exotic plants and the latest garden accessories in other words the quintessential English style garden *America s Romance with the English Garden* is the story of tastemakers and homemakers of savvy
