

Five Waves of American Higher Education

First Wave

Great Academies

- 1636 Harvard College*
- 1636 College of William and Mary
- 1701 Yale College
- 1786 College of New Jersey (Princeton)
- 1784 King's College (Columbia)
- 1785 College of Philadelphia (Penn)
- 1784 College of Rhode Island (Brown)
- 1785 Queen's College (Rutgers)
- 1785 Dartmouth College

Schools founded during the early Republic that established the prototype for the American residential liberal arts college

- 1780 Dickinson College
- 1783 Williams College
- 1794 Bowdoin College
- 1800 Middlebury College
- 1801 Wellesley College
- 1803 Oberlin College
- 1807 Mount Holyoke College
- 1808 Cornell College
- 1850 Reed College
- 1854 Swarthmore College
- 1871 Smith College
- 1885 Bryn Mawr College
- 1887 Pomona College, etc.

Liberal arts colleges established during the nineteenth century as variants of the common college

- 1828 Reed College
- 1832 Bowdoin College
- 1845 Claremont McKenna College
- 1855 Harvey Muir College
- 1859 College of the Atlantic
- 1887 Oberlin College, etc.

Second Wave

State Colleges

State-chartered colleges and universities, including teacher colleges and technological institutes, some private

- 1785 University of Georgia*
- 1789 University of North Carolina*
- 1783 University of Vermont
- 1801 University of South Carolina
- 1816 University of Michigan*
- 1819 University of Virginia*

- 1824 University of Wisconsin
- 1831 University of Minnesota
- 1836 Michigan State University
- 1838 Penn State University
- 1838 University of Maryland
- 1838 Iowa State University
- 1851 Massachusetts Institute of Technology (MIT), etc.

- 1850 California State Normal School (California State University system)

- 1850 University of Southern California
- 1853 University of Texas, Austin
- 1858 Texas Normal School (UTLS)
- 1888 Georgia Institute of Technology (Georgia Tech)
- 1891 California Institute of Technology (Caltech), etc.

- 1900 Tennessee Tech
- 1944 Utah Valley University

- 1948 Purdue State University
- 1953 University of Central Florida
- 1955 University of Maryland Baltimore County, etc.

2018 California Community College No. 13

Third Wave

Land-Grant Colleges

Land-grant colleges and universities established as a consequence of the Morrill Act of 1862

- 1862 Cornell University*
- 1867 University of Illinois*
- 1868 University of California*
- 1869 Purdue University
- 1870 Ohio State University
- 1871 Iowa A&M University, etc.

Second Wave schools subsequently designated land-grant universities

- University of Wisconsin
- University of Minnesota
- Michigan State University
- University of Maryland
- Iowa State University
- UT, etc.

- 1862 land-grant institutions (HCLIs)
- Alabama A&M University
- Tulane University
- West Virginia State University, etc.

Fourth Wave

Research Universities

- 1875 Johns Hopkins University*
- 1881 Stanford University*
- 1887 University of Chicago*

First Wave colleges that evolved into research universities

- Harvard University
- Yale University
- Princeton University
- Columbia University
- University of Pennsylvania
- Brown University, etc.

Second Wave colleges and universities that evolved into research universities

- University of Georgia
- University of North Carolina
- University of Michigan
- University of Virginia
- Georgia Tech
- Caltech
- Arizona State University, etc.

Third Wave universities that evolved into research universities

- University of Wisconsin
- University of Minnesota
- Michigan State University
- Penn State University
- University of Maryland
- Iowa State University
- MIT
- Cornell University
- University of Texas
- University of California
- Purdue University, etc.

Fifth Wave

National Service Universities

Fourth Wave institutions combining state and accessibility with world-class research enterprises

- Arizona State University*

- Penn State University
- University of Maryland system
- Purdue University, etc.

American Higher Education A History

Richard Hofstadter (1916-1970, ed)

American Higher Education A History:

A History of American Higher Education John R. Thelin, 2019-04-02 The definitive history of American higher education now up to date Colleges and universities are among the most cherished and controversial institutions in the United States In this updated edition of *A History of American Higher Education* John R Thelin offers welcome perspective on the triumphs and crises of this highly influential sector in American life Exploring American higher education from its founding in the seventeenth century to its struggle to innovate and adapt in the first decades of the twenty first century Thelin demonstrates that the experience of going to college has been central to American life for generations of students and their families Drawing from archival research along with the pioneering scholarship of leading historians Thelin raises profound questions about what colleges are and what they should be Covering issues of social class race gender and ethnicity in each era and chapter this new edition showcases a fresh concluding chapter that focuses on both the opportunities and problems American higher education has faced since 2010 The essay on sources has been revised to incorporate books and articles published over the past decade The book also updates the discussion of perennial hot button issues such as big time sports programs online learning the debt crisis the adjunct crisis and the return of the culture wars and addresses current areas of contention including the changing role of governing boards and the financial challenges posed by the economic downturn Anyone studying the history of this institution in America must read Thelin s classic text which has distinguished itself as the most wide ranging and engaging account of the origins and evolution of America s institutions of higher learning

A History of American Higher Education John R. Thelin, 2011-11-15 Colleges and universities are among the most cherished and controversial institutions in the United States In this updated edition of *A History of American Higher Education* John R Thelin offers welcome perspective on the triumphs and crises of this highly influential sector in American life Thelin s work has distinguished itself as the most wide ranging and engaging account of the origins and evolution of America s institutions of higher learning This edition brings the discussion of perennial hot button issues such as big time sports programs up to date and addresses such current areas of contention as the changing role of governing boards and the financial challenges posed by the economic downturn

American Higher Education, Second Edition Christopher J. Lucas, 2006-04-02 The roots of controversy surrounding higher education in the US extend deep into the past This original incisive history goes far in offering a needed sense of perspective on current debates over such issues as access costs academic quality social equity and curricula Eminently readable and always lively this timely historical account is sure to be an invaluable resource for assessing the present condition and future prospects of American colleges and universities

Higher Education in Transition Willis Rudy, 2017-07-05 At a time when our colleges and universities face momentous questions of new growth and direction the republication of *Higher Education in Transition* is more timely than ever Beginning with colonial times the authors trace the development of our college and university system chronologically in terms of men and institutions They

bring into focus such major areas of concern as curriculum administration academic freedom and student life They tell their story with a sharp eye for the human values at stake and the issues that will be with us in the future One gets a sense not only of temporal sequence by centuries and decades but also of unity and continuity by a review of major themes and topics Rudy s new chapters update developments in higher education during the last twenty years Higher Education in Transition continues to have significance not only for those who work in higher education but for everyone interested in American ideas traditions and social and intellectual history

American Higher Education Christopher J. Lucas,1994 The roots of controversy surrounding higher education in the United States extend deep into the past This fresh incisive history provides needed perspective on current debates over such educational issues as access costs academic quality social equity and curricula The fundamental crisis facing academe in the United States today the author argues derives from the enduring confusion over the meaning and purpose of higher learning itself Eminently readable and always lively this timely historical account is sure to prove itself an invaluable resource for assessing the present condition and future prospects of American colleges and universities

The History of American Higher Education Roger L. Geiger,2016-09-06 This book tells the compelling saga of American higher education from the founding of Harvard College in 1636 to the outbreak of World War II The author traces how colleges and universities were shaped by the shifting influences of culture the emergence of new career opportunities and the unrelenting advancement of knowledge He describes how colonial colleges developed a unified yet diverse educational tradition capable of weathering the social upheaval of the Revolution as well as the evangelical fervor of the Second Great Awakening He shows how the character of college education in different regions diverged significantly in the years leading up to the Civil War for example the state universities of the antebellum South were dominated by the sons of planters and their culture and how higher education was later revolutionized by the land grant movement the growth of academic professionalism and the transformation of campus life by students By the beginning of the Second World War the standard American university had taken shape setting the stage for the postwar education boom The author moves through each era exploring the growth of higher education

An Analytical History of American Higher Education Paul Westmeyer,1997

American Higher Education Since World War II Roger L. Geiger,2019-07-02 A masterful history of the postwar transformation of American higher education American higher education is nearly four centuries old But in the decades after World War II as government and social support surged and enrollments exploded the role of colleges and universities in American society changed dramatically Roger Geiger provides the most complete and in depth history of this remarkable transformation taking readers from the GI Bill and the postwar expansion of higher education to the social upheaval of the 1960s and 1970s desegregation and coeducation and the challenges confronting American colleges today Shedding critical light on the tensions and triumphs of an era of rapid change Geiger shows how American universities emerged after the war as the world s most successful system for the advancement of knowledge how the pioneering of mass

higher education led to the goal of higher education for all and how the selectivity sweepstakes for admission to the most elite schools has resulted in increased stratification today He identifies 1980 as a turning point when the link between research and economic development stimulated a revival in academic research and the ascendancy of the modern research university that continues to the present Sweeping in scope and richly insightful this groundbreaking book demonstrates how growth has been the defining feature of modern higher education but how each generation since the war has pursued it for different reasons It provides the context we need to understand the complex issues facing our colleges and universities today from rising inequality and skyrocketing costs to deficiencies in student preparedness and lax educational standards

The History of Higher Education Association for the Study of Higher Education,1997 The History of Higher Education combines classic readings with the most recent research on the history of American colleges and universities This book covers five historical periods in the evolution of higher education from the time of the American colonies to the 1970s The goal of this informative reader is to build a working historical knowledge base of the opportunities and problems confronting American higher education

A People's History of American Higher Education Philo A. Hutcheson,2019-06-19 This pathbreaking textbook addresses key issues which have often been condemned to exceptions and footnotes if not ignored completely in historical considerations of U S higher education particularly race ethnicity gender and class Organized thematically this book builds from the ground up shedding light on the full diverse range of institutions including small liberal arts schools junior and community colleges black and white women s colleges black colleges and state colleges that have been instrumental in creating the higher education system we know today A People s History of American Higher Education surveys the varied characteristics of the diverse populations constituting or striving for the middle class through educational attainment providing a narrative that unites often divergent historical fields The author engages readers in a powerful revised understanding of what institutions and participants beyond the oft cited elite groups have done for American higher education A People s History of American Higher Education focuses on those participants who may not have been members of elite groups yet who helped push elite institutions and the country as a whole Hutcheson introduces readers to both social and intellectual history providing invaluable perspectives and methodologies for graduate students and faculty members alike This essential history of American higher education brings a fresh perspective to the field challenging the accepted ways of thinking historically about colleges and universities

The American College and University Frederick Rudolph,2011-07-01 First published in 1962 Frederick Rudolph s groundbreaking study The American College and University remains one of the most useful and significant works on the history of higher education in America Bridging the chasm between educational and social history this book was one of the first to examine developments in higher education in the context of the social economic and political forces that were shaping the nation at large Surveying higher education from the colonial era through the mid twentieth century Rudolph explores a multitude of issues from the financing of institutions and

the development of curriculum to the education of women and blacks the rise of college athletics and the complexities of student life In his foreword to this new edition John Thelin assesses the impact that Rudolph s work has had on higher education studies The new edition also includes a bibliographic essay by Thelin covering significant works in the field that have appeared since the publication of the first edition At a time when our educational system as a whole is under intense scrutiny Rudolph s seminal work offers an important historical perspective on the development of higher education in the United States

History of American Higher Education Margaret Cain McCarthy,2011 History of American Higher Education documents the fascinating evolution of American colleges and universities touching on the historical events that shaped them from the colonial era through the early twenty first century Throughout history higher education has played an important role in the transmission of cultural identity from one generation to the next This book outlines how as the colonists transitioned from English rule to independence a unique American culture began to develop and institutions of higher education evolved to prepare leaders with the intellectual and practical skills necessary to build a nation Eventually faith in science created an expansive knowledge industry and the notion that an educated citizenry was required for an effective democracy expanded and diversified educational opportunities Complete with a bibliography this primer is an excellent and comprehensive source of information on the history and organization of higher education in the United States *American Higher Education* Richard Hofstadter,Wilson Smith,Francis Wilson Smith,1961

American Higher Education, Second Edition Christopher J. Lucas,2016-04-30 The roots of controversy surrounding higher education in the US extend deep into the past This original incisive history goes far in offering a needed sense of perspective on current debates over such issues as access costs academic quality social equity and curricula Eminently readable and always lively this timely historical account is sure to be an invaluable resource for assessing the present condition and future prospects of American colleges and universities [American higher education](#) Richard Hofstadter,Wilson Smith,1968

American Higher Education Richard Hofstadter (1916-1970, ed),1961 *Essential Documents in the History of American Higher Education* John R. Thelin,2021-07-06 The thoroughly updated second edition of this dynamic and thoughtful collection focuses on the issues that have shaped American higher education in the past decade Essential Documents in the History of American Higher Education designed to be used alongside John R Thelin s A History of American Higher Education or on its own presents a rich collection of primary sources that chart the social intellectual political and cultural history of American colleges and universities from the seventeenth century to the present The documents are organized in sections that parallel the chapters in A History both chronologically and thematically and sections are introduced with brief headnotes establishing the context for each source This updated edition of Essential Documents focuses on the issues that have shaped American higher education in the past decade from congressional investigations into endowments and court cases about paying student athletes to accounts of campus protests over racial discrimination and adjuncts struggling in the gig economy From the

successful fund raising campaigns of 2014 to the closing of campuses because of the COVID 19 pandemic of 2020 the book also includes a new tenth chapter Prominence and Problems American Higher Education since 2010 and an updated introduction a number of landmark documents including the charter for the College of Rhode Island 1764 the Morrill Land Grand Act 1862 the GI Bill 1944 and the Knight Commission Report on College Sports 2010 and lively firsthand accounts by students and teachers that tell what it was like to be a Harvard student in the 1700s to participate in the campus riots of the 1960s to be a female college athlete in the 1970s or to enroll at UCLA as an economically disadvantaged Latina in the 1990s Thelin even stretches the usual bounds of documentary sources incorporating popular pieces by Robert Benchley and James Thurber on their own college days as well as an excerpt from Groucho Marx's screwball film Horse Feathers What emerges is a complex and nuanced collection that reflects the richness of more than three centuries of American higher education

A History of American Higher Education John R. Thelin, 2026-07-07 Coming soon A History of American Higher Education fourth edition by John R Thelin

The History of U.S. Higher Education - Methods for Understanding the Past Marybeth Gasman, 2013-10-14 The first volume in the Core Concepts of Higher Education series The History of U S Higher Education Methods for Understanding the Past is a unique research methods textbook that provides students with an understanding of the processes that historians use when conducting their own research Written primarily for graduate students in higher education programs this book explores critical methodological issues in the history of American higher education including race class gender and sexuality Chapters include Reflective Exercises that combine theory and practice Research Method Tips Further Reading Suggestions Leading historians and those at the forefront of new research explain how historical literature is discovered and written and provide readers with the methodological approaches to conduct historical higher education research of their own

For the Common Good Charles Dorn, 2017-06-06 Are colleges and universities in a period of unprecedented disruption Is a bachelor's degree still worth the investment Are the humanities coming to an end What exactly is higher education good for In For the Common Good Charles Dorn challenges the rhetoric of America's so called crisis in higher education by investigating two centuries of college and university history From the community college to the elite research university in states from California to Maine Dorn engages a fundamental question confronted by higher education institutions ever since the nation's founding Do colleges and universities contribute to the common good Tracking changes in the prevailing social ethos between the late eighteenth and early twenty first centuries Dorn illustrates the ways in which civic mindedness practicality commercialism and affluence influenced higher education's dedication to the public good Each ethos long a part of American history and tradition came to predominate over the others during one of the four chronological periods examined in the book informing the character of institutional debates and telling the definitive story of its time For the Common Good demonstrates how two hundred years of political economic and social change prompted transformation among colleges and universities including the establishment of entirely new kinds of

institutions and refashioned higher education in the United States over time in essential and often vibrant ways

The Enigmatic Realm of **American Higher Education A History**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. American Higher Education A History Introduction

In the digital age, access to information has become easier than ever before. The ability to download American Higher Education A History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download American Higher Education A History has opened up a world of possibilities. Downloading American Higher Education A History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading American Higher Education A History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download American Higher Education A History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading American Higher Education A History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading American Higher Education A History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download American Higher Education A History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About American Higher Education A History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. American Higher Education A History is one of the best book in our library for free trial. We provide copy of American Higher Education A History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with American Higher Education A History. Where to download American Higher Education A History online for free? Are you looking for American Higher Education A History PDF? This is definitely going to save you time and cash in something you should think about.
