

THE American Language

FOURTH EDITION

By H. L. MENCKEN

AN ENTIRELY NEW VERSION of the standard work on its subject, rewritten almost completely, this edition contains 325,000 words of text, running to 800 pages, concluding with a full word-list and an index. A thoroughly scientific treatise on the development of American English, it is at the same time an extremely diverting piece of reading, full of odd stuff to be found nowhere else. There is no other book on the subject that even remotely approaches the value and scope of this one.
