

American Generalship

William Edward Hartpole Lecky

American Generalship:

American Generalship Edgar Puryear, 2001-11-30 What does it take to make a great general or a great leader in any field An excellent contribution to the study of leadership among those who make life and death decisions in the most challenging situations one that could well serve as required reading in both military and business schools Kirkus Reviews Throughout his life Edgar F Beau Puryear has studied America s top military leaders In his research for this book he has sought to discover what allowed them to rise above their contemporaries what prepared them for the terrible responsibilities they bore as the commanders of our armed forces during World War II Korea Vietnam the Gulf and on to today how they are different from you and me Ultimately first and foremost Dr Puryear discovered that character is the single most important and the most distinctive element shared by these individuals that character is everything Beau Puryear again reaches into his gold mine of research and comes forward with the essence of great generalship Well done and a worthy read General Colin L Powell We can always learn more about the importance of character to successful leadership With this book we do just that General H Norman Schwarzkopf American generalship Edgar F. Jr Puryear, 2000 **Journal of the Military Service Institution of the United States** ,1900 **Eisenhower's Lieutenants: The Campaigns of France and Germany, 1944-1945** Russell F. Weigley, 2019-07-31 Jointly published by Plunkett Lake Press and Indiana University Press This study of the American led campaign in Europe in World War II analyzes command decisions at both the strategic and tactical levels All the complex ingredients of armies at war the burdens of history the impact of technology the roles of personalities the confusions of the battlefield are presented based on extensive scholarship Field Marshal Montgomery and Ike s lieutenants Generals Omar N Bradley Jacob L Devers Courtney H Hodges George S Patton Jr Alexander M Patch William H Simpson Leonard T Gerow J Lawton Collins and Matthew B Ridgway and others appear in the book All major strategic and tactical decisions in the battles of the American offensive against Nazi Germany are covered with descriptions of key terrain features and many personal insights drawn from various diaries The book provides an assessment of the leadership and fighting capabilities of the Allied forces in the key European battles of World War II The publication of Eisenhower s Lieutenants is an event of significance in American military writing admirable clearly the product of exhaustive painstaking research Drew Middleton The New York Times Eisenhower s Lieutenants is an outstanding and highly recommended work It offers the wealth of information superb research and presentation comprehensive treatment and challenging reinterpretation one has come to expect from Weigley It also points out once again that his reputation as one of our outstanding military historians is well deserved Mark A Stoler Journal of American History outstanding book highly professional study of command and operations in northwest Europe 1944 45 the best account we have of the World War II campaigns from Normandy to the Elbe Forrest C Pogue American Historical Review The fullest account yet of the climactic campaign in northwestern Europe from the planning of D Day through the German surrender with an interesting focus on the personalities involved in shaping the

Allied forces plans and operations precisely informative and broadly rewarding Kirkus Reviews an excellent book Calvin B Peters Journal of Political and Military Sociology by the dean of American military historians Washington Post I had thought I knew everything about World War II that I would ever want to know I was wrong Reading Eisenhower s Lieutenants was a wonderfully enriching experience I learned more than I ever would have thought possible This will unquestionably become one of the great classics of American military history Stephen E Ambrose Parameters ,2008 **United States Army Combat Forces Journal** ,1965 **Creech Blue** James C. Slife,2004 Colonel Slife chronicles the influence of the late Gen Wilbur L Bill Creech7a leader visionary warrior and mentor7in the areas of equipment and tactics training organization and leader development His study serves both to explain the context of a turbulent time in our Air Force s history and to reveal where tomorrow s airmen may find answers to some of the difficult challenges facing them today Colonel Slife who addresses such controversial topics as the development of the Army s AirLand Battle doctrine and what it meant to airmen is among the first to describe what historians will surely see in years to come as the revolutionary developments of the late 1970s early 1980s and General Creech s central role Creech Blue enlightens the Air Force on its strongly held convictions during that period and challenges the idea that by 1990 when Iraq invaded Kuwait the Air Force had forgotten how to wage a strategic air campaign and was dangerously close to plunging into a costly and lengthy war of attrition had it not been for the vision of a small cadre of thinkers on the Air Staff In exploring the doctrine and language of the decade leading up to Operation Desert Storm Colonel Slife reveals that the Air Force was not as shortsighted as many people have argued *Armor* ,1982 The magazine of mobile warfare **Independent America** Charles Morris,1887 *The War Within the Union High Command* Thomas Joseph Goss,2003 As this book reveals professional generals viewed the war as a military problem requiring battlefield solutions while appointees and President Lincoln focused more emphatically on the broader political contours of the struggle The resulting friction often eroded Northern morale and damaged the North s war effort Goss challenges the traditional idea that success was measured only on the battlefield by demonstrating significant links between military success and the achievement of the Union s political objectives Examining commanders like Benjamin Butler Nathaniel Banks John McClernand John Fremont and Franz Sigel Goss shows how many filled vital functions by raising troops boosting homefront morale securing national support for the war and sometimes even achieving significant success on the battlefield The American Revolution, 1763-1783 William Edward Hartpole Lecky,1898 *The Republic, Or, A History of the United States of America in the Administrations* John Robert Irelan,1886 *The New York Stock Exchange* Edmund Clarence Stedman,1905 **Annual Report of the Regents** ,1877 **Annual Report of the Regents of the University, to the Legislature of the State of New-York** University of the State of New York. Board of Regents,1877 *The Pentagon and the Presidency* Dale Roy Herspring,2005 A fascinating account from the military s perspective of the historically tense and at times outright antagonistic relations between senior military leaders and American presidents and their advisors Closely

examines and grades the impact of presidential styles on the military's view of the president Annual Report of the Regents University of the State of New York, 1877 No 104 117 contain also the Regents bulletins **The Great Republic**
Charles Morris, 1912 **The Great Republic by the Master Historians ...** Charles Morris, 1902 **Great Epochs in American History: The French War and the Revolution : 1745-1782** Francis Whiting Halsey, 1912
