Elizabeth, 2023-09-07 This beautiful fully illustrated book presents a compendium of artworks throughout history which have been inspired by myth fantasy and the unreal Artists have explored imaginary worlds and fantastical creatures for centuries expressing the unreal and impossible the mystical and mythical via the medium of paint But what draws them to the imaginary the uncharted and the unknown Is

it merely an escape from reality Or are they seeking a greater understanding of the human experience or perhaps the very meaning of life itself With myriad styles and methods of expression what links artists through the ages And how have these visual flights of fancy and imagination changed over the course of time The Art of Fantasy is a visual sourcebook of all that is fantastical from fine art to illustration and from surrealists and symbolists to the creatives working in undefined territories While the artists in our history books Blake Goya Dali Magritte Ernst first brought fantasy art to the galleries it was the twentieth century artists who brought it to the masses It is in this book that for the first time they are united and equally weighted presenting a mesmerising and thoughtful curation of the best fantasy artwork out there This is an inspiring collection for fans of myth magic fantasy and art history
