[Chinese American Literature without Borders](#) King-Kok Cheung, 2017-02-18 This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression It examines gender refashioning in light of the Chinese dyadic ideal of wen wu verbal arts and martial arts while redefining both in the process Part 2 highlights the writers formal innovations by presenting alternative autobiography theory metafiction and translation In doing so Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two pronged geopolitical critiques The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders
