

## **New Light**

**Feel free to enter this room  
of new personality.  
Tonight, it bathes in the glow  
of a single candle.  
Let it not frighten you away.  
See how the new light  
casts new shadows on the wall.  
If you'd like  
bring an unlit candle of your own.**

**Let the wick share the flame  
and increase the visions on the wall.  
Watch as I drink in the light of the flame.  
See how it takes in my face, my eyes.  
Feel free to explore the new personality.  
See a vision only seen by  
the low light of a single candle.**

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
