Here Come The Brides:

Here Come the Brides! Audrey Bilger, Michele Kort, 2012-03-06 Marriage today isn't what it used to be for better not for worse. As same sex weddings are becoming more common, the classic love story happy ending is taking on a decidedly new twist. Everyone has a fresh role to play and supporters and opponents of gay marriage alike are finding themselves in the midst of a revolution that's redefining marriage both as a personal choice and as an institution as we know it. In *Here Come the Brides*, editors Audrey Bilger and Michele Kort gather together the voices of women taking part in and shaping this major historical shift. Representing a diversity of points of view in terms of race, class, ethnicity, and gender identification, this collection of essays, stories, and visual images takes a multidimensional look at how opening up the traditional order of man and wife to include the possibility of wife and wife is altering our social landscape. From wedding pictures and images of protest signs to comical anecdotes and sober philosophical analyses, *Here Come the Brides* is an exploration of how the legalization of same sex marriages has irrevocably changed the way lesbians think about their unions and their lives and a celebration of the dream of lesbian happily ever afters.

Attracting and Holding Customers, 1919 The Christmas Brides of Twilight Lori Wilde, 2023-10-24 New York Times bestselling author Lori Wilde's delightful *Twilight Texas* series continues with this sparkling Christmas novel. A reality TV show producer returns to her hometown of Twilight in this lovers reunited story filled with holiday spirit and perfect for readers of Susan Mallery and Jill Shalvis. She was the one who got away. Noelle Curry has returned to Twilight to plan the most spectacular double wedding the town has ever seen and do it on national television. But the woman known as The Wedding Whisperer is knocked speechless when she notices her teenage crush Gil Thomas is about to plunge into icy cold water wearing nothing more than a pair of Rudolph the Red Nose Reindeer swim trunks. He is the sexiest guy participating in the annual polar bear plunge and seeing him pushes all thoughts of white lace and rose blossoms right out of her mind. He was the man who decided to stay. Single dad Gil doesn't regret giving up his dreams of big city singing stardom for small town life. But seeing Noelle who's blossomed from the once gawky teenager to West Coast beauty has him thinking of days and nights a whole lot hotter than his plunge in the lake. And even though he knows she'll be heading out as soon as her work is finished, he can't help hoping the magic of Christmas in *Twilight* will get her to change her mind and stay in town and by his side forever.
