Gretchen Heffernan,2017-04-03 A particle of dirt transforms into a pearl with the ability to seed an entirely new planet What happens when a clairvoyant a mutant poet and a shape shifter discover its power And how do they stop an evil prophet from planting it first In a futuristic yet recognizable Britain the Transformation Age has begun A time following the end of oil where Mad Cow Disease ravages the land and divides the population into infected or uninfected camps Hidden inside a cove near the small coastal village of Rye is a pearl with the ability to seed a blank planet Rye has one of England e tm s last uncontaminated fields and remains an edible food source Jude the microbiologist who originally predicted the BSE infection has become Rye e tm s fanatical prophet Jude protects his congregation of survivors as well as the field by enlisting mindless foot soldiers called Keepers The Keepers believe they are the evolutionary torchbearers for a new and pure human race However Jude has a dark secret He is a man possessed and his body is a conduit for the serpent from the Garden of Eden who longs to find the pearl Jude is brainwashing the survivors in order to suck out their souls extract their DNA and create a terrible world of his own Only a disfigured poet a clairvoyant and a shape shifter can stop the murderous tirade of Jude and catapult the human race into the next stage of evolution But will they exorcise their own demons in time or will misplaced love and jealousy stand in the way of humanity

Joyce's Finnegans Wake John P. Anderson,2013 This seventh in a series continues this non academic author s ground breaking word by word analysis of James Joyce s Finnegans Wake This volume covers chapters 2 4 3 1 and 3 2 with the intent to explore them as art objects In Chapter 2 4 spirit imperialists attack love Love particularly the spontaneous kind is an outpost of freedom and more possibilities That outpost is a threat to the status quo regime of the imperialists and puts its central committee on alert The imperialist control effort focuses on the two main sources of spontaneous love the natural nurturing tendency of human females and the giving spirit of Jesus One pure expression of this kind of control is the arranged marriage an institution that often serves political interests In arranged marriages control trumps love The arranged part of the marriage is usually the female The arranged marriage makes spontaneous love illicit This chapter presents love suffering from control in the context of two arranged marriages Joyce s version of Isolde to King Mark in Tristan and Isolde T I and Jesus to the church in the Gospels The result in both cases is the same love fused to death and a relationship barren of new offspring The spirit mates in this chapter are King Mark from T I and Evangelist Mark The Book of Mark as edited reduced the independent and loving Christ to the suffering servant and Tristan died at the Cliff of Penmark just as the real Christ died at the pen of Mark Editors the hated object of Joyce s early life as an author fuse the stories Another common element in the themes is the threat of the new replacing the old Tristan replacing King Mark and the Son religion replacing the Father religion This threat is announced at the opening of chapter 2 4 Part 3 brings us Shaun s chapters chapters that feature his spirit He is exhibited as a spirit imperialist in marching pants

stained by an anal retentive childhood experience outlined in earlier chapters He is stuck in the past to influences from the past Put another way and more to the point the past is stuck in him In Joyce s images he has remained subject to the son or past family experiences in his soul and has not arisen to the independent sun in the present Their dream character connects these Part 3 chapters to the altered mind state that produced the Book of Revelations the source of formal elegance for these chapters Shaun is cast in the mould of the closed spirit of the Anti Christ AC and Shem in the mould of the open spirit of Christ C Following the forehead allegiance indicator used in Revelations these two chapters end after Shaun Jaun puts a postage stamp on his forehead he as the envelope of a message from others His message is fear of unrestricted life possibilities because of its sufferings His postage stamp is yellow for fear but he has no spirit of his own no message of his own to deliver By contrast Shem s spirit has risen within himself from dependence to independence like the phoenix bird of myth that creates itself young from its own ashes That mythical ascent ends chapter 3 2 The Cyclopaedia of Practical Quotations, English and Latin ,1890 The Cyclopaedia of Practical Quotations, English and Latin Jehiel Keeler Hoyt,1886
