- *What's the difference between the two?*
  - *(domain-referenced is also call criterion-referenced)*
- *What are some examples (or situations) where the purpose would require one or the other? (thought question)*
  - *Hint: when criticality of performance is important or*
  - *where characteristics of the applicant pool may vary geographically or over time.*
- *Which type requires statistical (correlational) and which type requires judgmental validation?*
