From Mrs To Dominatrix Mistress Sofia, 2021-01-08 Let me start by saying if you read the first chapter and start to yawn then stop reading either bin it or better still give it to your Auntie Mavis for Xmas and you won't get a peep out of her I've been trying to write this fact fiction combination for nearly three years always ending up frustrated then I met Pansy PVC or as I call her PA Pansy my slave sissy but quite frankly between you and I my best friend That may sound odd but I'm a Mistress there are no rules my best friend could be a donkey it would be my choice It's an odd compilation some fact some fiction I'll leave it to your imagination as to which is which I didn't want it to be a Mills and Boon but I can't progress until I explain exactly why I reinvented myself Consequently the first chapter has to briefly cover how circumstances changed and led me down the path which transformed my life and made me into the Mistress that I am today I hope that you will enjoy what you read and at the very least take on board that in my opinion life begins at sixty NOTE As the truth is told my book contains some adult themes and strong language and is unsuitable for reading by children under 18
