Cherish Her Garry Cale, 2005

How Do I Live? Sister Nikita Adams, 2010-05-14 This is a very heart warming book about a beautiful mother who s life was accepted as a sacrifice for her family not only for her family but for a nation of women who are among the walking dead This is a riveting tale of how her daughter the author had to fight against her own beliefs that God did not love humanity How do I Live expresses an intimate and deep look into the heart of someone who suffers from severe depression and suicidal thoughts This is a story of how God delivered her from prescription drugs which would have caused her death by blood poisoning and how he warned her in dreams about her daughters being raped if she died Through her courage she began a journey to discover that life is precious and it is a gift to be cherished How Do I Live opens the door to a realm in the spirit in which the Lord announces his victory over death Death is vanquished This book beckons the dying to forget about death and walk into the life of Jesus Christ he came that we may live

Verses From The Soul Lakeelsha L. Rogers, 2002-06-27 In this book the author shares her life experiences with you in the form of poetry To be able to express herself without saying much was a great relief for her She shares her experiences about love joy heartache and pain Also what it means to trust lean and depend on God because he is the only one that can bring you through all trials and tribulations These poems will definitely make you think about your life your relationship and God You could be that person that is mistreating someone and taking them through changes If so reading these poems could cause you to straighten up Or maybe you are that person that is being mistreated These poems could make you realize that you don t have to continue to be mistreated I am sure there will be at least one if not a few of the poems that you can relate to If not then I am sure you know someone that can relate to them You definitely should read these poems Once you have read them you will probably laugh cry or rejoice But most of all you will want to tell someone else about it
