

A scenic view of a coastal landscape. In the foreground, a steep, rocky cliffside descends towards the sea. The cliff is covered in patches of green grass and brown earth. On a higher level of the cliff, a small, white building with a dark roof is visible. The sea is a deep blue-green color, and the sky is a clear, pale blue. The overall scene is peaceful and scenic.

## **Doldrum Bay:**

Doldrum Bay Hilary Fannin, 2003 A new play by one of Ireland's most astute young writers This is the problem with love it is so fucking unpalatable Every disease I have is caused by love loving other people too much Bald injured flawed people you love them and crucify yourself Francis is so busy promoting his new novel that he hasn't written it yet while his partner Magda is too busy mourning the death of her dad to notice that Francis is wandering off with the next model sensation Java Their friend Chick has been asked to come up with a sexy shout line for the latest recruitment drive by the Christian brothers while his brother who is also a monk has been found absconding in an Easter bunny outfit in the local mall Hilary Fannin's new play is a soul searching satire on the incongruous lives of twenty somethings in contemporary Dublin Doldrum Bay is published to tie in with the Abbey Theatre production at the Peacock in May 2003

Singleton, 2010-11-24 Irish theatre and its histories appear to be dominated by men and their actions This book's socially and culturally contextualized analysis of performance over the last two decades however reveals masculinities that are anything but hegemonic played out in theatres and other arenas of performance all over Ireland

*Plays and Controversies* Ben Barnes, 2008 In diaries covering the period of his artistic directorship of the Abbey Ben Barnes offers a frank honest and probing account of a much commented upon and controversial period in the history of the national theatre These diaries also provide fascinating personal insights into the day to day pressures joys and frustrations of running one of Ireland's most iconic institutions For over a century now the Abbey has conducted its love hate relationship with the Irish public and the wider international audience and in *Plays and Controversies* Ben Barnes illuminates his own eventful chapter in that absorbing story the impact of a fascinating still remembered chapter in the story of the Abbey Theatre related at first hand with a fire and a vigorous sense of commitment comparable to that of the founding fathers Christopher FitzSimons Barnes addresses a moment in Irish cultural history which stands as a many sided cautionary tale It is the tale of an embattled man a courageous man who dares to borrow Yeats's title because he found himself for a time in similar circumstances running the national theatre though in altogether different conditions Chris Murray We believe that this book is an important historical record of a recent tumultuous period in relation to the Abbey Theatre and anticipate that
