Dont Call Me A Racist:

"And Don't Call Me a Racist!" Ella Mazel,1998 In this treasury of over 1 000 quotes you will find in the voices of Langston Hughes and the Delany sisters for example some of the bittersweet humor that has helped sustain blacks in this country through their long oppressive history Melba Patillo Beals almost forty years after she risked death as a teenager to integrate Central High School in Little Rock Arkansas writes in her heart wrenching memoir of that experience The task that remains is to cope with our interdependence to see ourselves reflected in every other human being and to respect and honor our differences That is the message of this book from back cover *Race and Education* Kalwant Bhopal,2024-03-21 Why is our education system unequal How does race play a part Is Britain still institutionally racist Education remains the greatest indicator of life chances in Britain What we study where we study and how long for shape all aspects of our lives Our careers our long term health our wealth and security are all moulded in the classroom But who we are ultimately matters the most In *Race and Education* Professor Kalwant Bhopal shows how race still determines who gains the best education in Britain and who falls by the wayside Through case studies original research and interviews with students teachers and academics alike she reveals how the construction of privilege starts at a young age with Whiteness taking some students on a gilded path from cradle to career while many still struggle to build the futures they deserve This book highlights how classrooms and lecture halls are at the centre of perpetuating White privilege and how racism continues to exist in Britain A timely and excellent book that makes clear the role racism continues to play in shaping education A must read for teachers school leaders parents and politicians We need more honest crucial refreshing and rigorous work like this Kehinde Andrews
