Moser, 2008-10-13 What if anything does Jesus of Nazareth have to do with philosophy This question motivates this collection of essays from leading theologians philosophers and biblical scholars Part I portrays Jesus in his first century intellectual and historical context attending to intellectual influences and contributions and contemporaneous similar patterns of thought Part II examines how Jesus influenced two of the most prominent medieval philosophers It considers the seeming conceptual shift from Hebraic categories of thought to distinctively Greco Roman ones in later Christian philosophers Part III considers the significance of Jesus for some prominent contemporary philosophical topics including epistemology and the meaning of life The focus is not so much on how Christianity figures in such topics as on how Jesus makes distinctive contributions to them
