**The blind side of Eden** Carol Lee,1989      *The Blind Side of Eden* Carol Lee,2013-08-21 The Blind Side of Eden should be read by everybody Nigella Lawson Written at a time when some influential feminists had urged excluding men from the cause The Blind Side of Eden argued persuasively against this Using sources as far back as Biblical texts and supported by original interviews Carol Lee s classic work described The Battle of the Sexes as a phoney war She tackled instead the sexes in perspective bringing male viewpoints into feminist arguments Unravelling the idea of women and men as opposites living planets apart it was an own goal she stated for feminists to ban from their ranks a vast number of potential recruits men One of the first books to bring central feminist concerns into the realm of human rights Lee writes The blind side of Eden is a place where north south east west white black male female and culture nature are divided She demonstrates that systems of control like religious myths and ultra right wing politics are the real culprits of a segregated world Hard hitting determinedly down to earth and irresistibly humorous Janet Barron New Statesman The Blind Side of Eden is bound to cause waves not least because of its passionate fluency It is a stimulating argument Libby Purves The Times      *Eden's Twilight* James Axler,2009-06-01 Rumors of an untouched predark ville in the mountains of West Virginia lure traders in search of unimaginable wealth They re coming from all directions the good the bad the worst Ryan and his warrior group join in although it means an uneasy truce with an old enemy going back to days of spilled blood and the legacy of the Trader But as their journey to a place called Cascade reveals more of Deathlands darkest secrets it remains to be seen if this place will become their salvation or their final resting place      **Wild Texas Promise** Victoria Thompson,1990-08-01 A Hired Gunslinger Romance 2 From Romantic Times Career Achievement Award Winner and New York Times bestseller Victoria Thompson a sensual tale of historical romance in the American Wild Wild West Ms Thompson imbues her characters with strength eloquence and dignity Romantic Times A Rebellious Spitfire Hired to protect Eden Campbell s ranch from cattle thieves rugged Linc Scott soon realizes that Eden Campbell herself is his biggest problem The pretty little spitfire refuses to let Linc guard her she thinks she can take care of herself Linc is definitely not used to an argument especially from a beautiful woman He ll show her just how vulnerable she is to a smooth talking Texan But his plan backfires when a passionate kiss and even hotter embrace knocks him right off his boots A Rogue Gunslinger Who does that tall cowboy think he is If it weren t for some thieving rustlers Eden would never have to deal with being bossed around by some rude gunslinger But when she finds herself in Linc s lean muscled arms and kissing his surprisingly sensual lips she suddenly realizes she s in danger of more than losing her ranch she s in danger of losing her heart      Lord Johnnie Leslie Turner White,1949      **The Divine Dissimulation** Martin Lundqvist, In the distant future the wealthy villain Abraham Goldstein funds a top secret project to travel to the divine dimension and meet the god of his people Upon reaching the divine dimension he finds out that God is dead He also finds the technology necessary to take gods place and become a god in the

eyes of men Many years later Abraham and his group of angels a group of genetically engineered super soldiers rule Eden a world terraformed to simulate the holy land during the Bronze Age They rule with terror and fear following the ancient laws until one day when an accident turns Abraham s closest angel Lucifer against him an event that plants the seed of Abraham s destruction Meanwhile an ancient force is conspiring in the background to make its return to our world **The Divine**

**Zetan Trilogy** Martin Lundqvist, The Divine Zetan Trilogy is an epic saga that takes place in the 29th century The Divine Dissimulation In the search of immortality Abraham Goldstein funds a secret project to build a replica of the Holy Land and uses mind control technology to convince his captives that he is God of Eden The Divine Sedition The leader of The Martian Humanist Alliance Keila Eisenstein overthrows Abraham Goldstein and takes control over Eden She uses Eden as her base to free her home planet Mars from the tyranny of the Terran Council In the quest of freeing Mars she unleashes an ancient alien portal The Divine Finalisation When the malevolent alien Queen of Xeno Rangda invades Earth Keila s daughter Sabina Eisenstein is the only one who can save humanity and the rest of the Milky Way Galaxy **Jumping the Fence** John P.

Roberts,2021-03-26 It s supposed to be a simple peek a boo mission not far from St Petersburg Russia to check out some specially built garages that block satellite signals They plan to send casuals from the Tenth Special Forces to go over the fence and take a look The mission starts off well with Captain Dennison at the helm and privates Eden and Nichols at his command Then in Sweden the captain is sent home leaving Eden and Nichols on their own to continue the mission They re ambushed at a safe house before leaving for Helsinki and it s beginning to look like these men might need rescuing The casuals persist making contact with an anti Russian organization Meanwhile the Americans want their men back but what of the garages outside St Petersburg Eden and Nichols might be in over their heads as it soon appears a double agent has been working behind the scenes and could risk both the mission and their lives **Burma, Its People and Productions, Or,**

Francis Mason,William Theobald,1882 **The Mulberry Empire** Philip Hensher,2007-12-18 With Tolstoyan sweep and Dickensian vitality this epically involving historical novel relates England s tragic adventure in Afghanistan which began with the triumphant arrival of the Army of the Indus in 1839 and ended three years later in rout and massacre At the center of The Mulberry Empire is Alexander Burnes a Scots explorer who travels to the unfathomably remote kingdom of Afghanistan and first befriends and then reluctantly betrays its wise and impeccably courteous Amir But he is only one character in a cast that includes ladies and generals princes and deserters all brilliantly and sympathetically realized At once stirring and harrowing exotic and cautionary and as vividly colored as a Persian miniature the result is a tour de force of re creation and invention

**But what about Men?** John Herbert Moore,1989 Much as been heard about the women s bid for freedom as a result of which they have won for themselves the right to compete in most arenas previously assumed by men to be their preserve What has been the effect on men Certainly men have been affected probably a lot more than they have so far admitted in public In fact very little has been heard from them And yet in all their traditional roles warrior hunter lover husband father hero leader sage priest they have become increasingly impotent or redundant This

book examines how and why men originally gained access to power and why they are now relinquishing it psychologically if not yet in practice It also attempts to answer the question What now for men But What About Men suggests that we must abandon our commitment to maximum procurement and proliferation The planet cannot sustain it nor has it brought about the degree of security and happiness once envisaged It has to be time for less getting and having more being content less sexually generated competition more spiritually inspired contemplation and for a society in which people will be more able to live and grow together without being limited by sexual stereotyping Back cover      **When Passion Reigned** Patricia Anderson,1995-07-14 In this witty and colorful book debunking the myth of Victorian prudery Anderson argues that far from being the prudes of modern legend the Victorians were avidly engaged in the erotic side of life 40 illustrations      Feminist Bookstore News ,1991
