Blood Of Angels:

The Blood of Angels Stephen Gregory, 1994 **The Blood of Angels** Johanna Sinisalo, 2014-10-01 Another haunting novel of eco speculation from Johanna Sinisalo the award winning author of Troll and a powerhouse of the Finnish science fiction and fantasy scene It is claimed Albert Einstein said that if bees disappear from the earth mankind has four years left When bee vanishings of unprecedented scale hit the United States Orvo a Finnish beekeeper knows all too well where it will lead And when he sees the queen dead in his hives one day it s clear the epidemic has spread to Europe and the world is coming to an end Orvo s special knowledge of bees just may enable him to glimpse a solution to catastrophe he takes a desperate step onto a path where only he and the bees know the way but it propels him into conflict with his estranged but much loved son a committed animal activist A magical plunge into the myth of death and immortality this is a tale of human blindness in the face of devastation and the inevitable *Unveiling the Mysteries of The Blood of Jesus Christ* Rudolph K. Roberts, 2009-07 This book covers the blood of Jesus Christ from the very beginning of creation It shows that the entire Bible is about Jesus Christ and his blood that purchased man s redemption The reader will not only be introduced to important aspects of the significance of His blood but also to the significance of the very lineage from which He came The summation of these facts is that contrary to how it may often seem there is still Power in the Blood of Jesus Reverend Rudolph K Roberts has dedicated his life to the work of the Lord With more than three decades of preaching and singing and with five recorded musical CD s to his credit Pastor Roberts has traded his initial talents well to now possess a stockpile of spiritual weapons ready to destroy the enemy s kingdom He is married to Enid Diane Roberts for over twenty six years They are blessed with six lovely children Rudeco Zonovia Rhema Rumah Reuel Rudiel and one grand son Kaden A former schoolteacher track athlete and coach this motivator has continued to expand his borders in all facets of his life A reward of such pursuits is his Doctorate Degree in Theology which he earned at United Christian International Bible Institute in Cleveland Tennessee Rev Roberts currently pastors the Whole Man Christian Center and has been doing so for the past nineteen years He is also the founder and President of the Rev Rudolph K Roberts International Faith Ministries **Divinity** Ev. Paul Mukendi, 2017-05-31 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this

book is to bring as many believers to a stage of maturity in the knowledge of Christ
