Blue Nowhere:

Dear Emmie Blue Lia Louis,2021-02-02 In this charming and poignant novel that oozes charm and wit and speaks beautifully about friendship and love and the differences between the two Laura Pearson author of *I Wanted You to Know* teenager Emmie Blue releases a balloon with her email address and a big secret into the sky only to fall head over heels for the boy who finds it But fourteen years later everything Emmie has planned is up in the air At sixteen Emmie Blue stood in the fields of her school and released a red balloon into the sky Attached was her name her email address and a secret she desperately wanted to be free of Weeks later on a beach in France Lucas Moreau discovered the balloon and immediately emailed the attached address sparking an intense friendship between the two teens Now fourteen years later Emmie is hiding the fact that she s desperately in love with Lucas She has pinned all her hopes on him and waits patiently for him to finally admit that she s the one for him So dedicated to her love for Lucas Emmie has all but neglected her life outside of this relationship she s given up the search for her absentee father no longer tries to build bridges with her distant mother and lives as a lodger to an old lady she barely knows after being laid off And when Lucas tells Emmie he has a big question to ask her she s convinced this is the moment he ll reveal his feelings for her But nothing in life ever quite goes as planned does it Filled with heart and humor *Dear Emmie Blue* beautifully captures the heartache and frustrations of carrying our teenaged selves with us wherever we go Anstey Harris author of *Goodbye Paris* that is perfect for fans of Eleanor Oliphant *Is Completely Fine* and *Evvie Drake Starts Over* *The Blue and the Green* Jack Stauder,2016-03-22 In *The Blue and the Green* anthropologist Jack Stauder analyzes how large scale political social and environmental processes have transformed ranching and rural life in the West Focusing on the community of Blue Arizona Stauder details how the problems of overgrazing erosion and environmental stresses on the open range in the early twentieth century coincided with a push by the newly created US Forest Service to develop fenced grazing allotments on federal lands Later in the twentieth century with the enactment of the Endangered Species Act and other laws the growing power of urban based environmental groups resulted in the reduction of federal grazing leases throughout the West The author combines historical research with oral interviews to explore the impact of these transformations on the ranchers residing in the Blue River Valley of eastern Arizona Stauder gives voice to these ranchers along with Forest Service personnel environmental activists scientists and others involved with issues on the Blue shedding light on how the ranchers rural way of life has changed dramatically over the course of the past century This is a fascinating case study of the effects of increasing government regulations and the influence of outsiders on ranching communities in the American West **For a Pixie in Blue** Cecilia Randell,2018-05-08 *The Never Ending Epilogue* Continues Blue Faust is trapped and there are no good choices Does she remain on Padilra giving up her own dreams or rebel and risk starting a war How is a person supposed to make a choice like that anyway Forrest and Mo ata are by her side of course and the others insist on accompanying her as well She ll need to learn to

navigate the politics of an entire Alliance as well as the culture of a people who have isolated themselves for a very good reason And what do you do when you find out the monster you re guarding isn t the scariest thing around you *The Audacity to Dream* Sheryn Yeo,Shan Lim,2013-01-31 DO YOU DESIRE TO ACHIEVE YOUR DREAMS AND TO LIVE A RICH AND PURPOSEFUL LIFE Have you wondered why some people achieve their dreams easily while others seem stuck in jobs that they dislike Do you want to know how successful people achieve their dreams and financial freedom at the same time Do you believe that you must be rich first in order to pursue your dreams and live the life you desire *The Audacity To Dream* reveals the missing link between the desire to fulfill your dreams and actually achieving it You will see the possibilities of living your dreams and achieving financial freedom at the same time You will find out how each of the 11 entrepreneurs who were ordinary folks like you and me started on their dream journeys and overcame their challenges to get to where they are today By applying their Mind Secrets and Principles to your own life you will see miracles starting to happen This book will open your mind to life s infinite possibilities and open your heart to believing you can make your dreams come true Within the pages of this book you will discover How successful entrepreneurs think and what they do How to tap the power of your mind to achieve anything you want How to be financially free doing what you love How to overcome fear and challenges and more *Anthea* William Stigand,1907 **Vermeer of Delft** ,1904 *The American Monthly Magazine* ,1897
